DuBois

Make an Investment™ Today!

treo® cleaners are ideal for environmental and safety conscious manufacturers. Each product is recognized by the EPA's Safer Choice Labeling Program. They are proven to be effective, while minimizing environmental impact.

Benefits

- Contains no harmful solvents and are nonflammable
- Contains readily biodegradable surfactants
- Contains no caustic and are phosphate free
- Contains no hazardous air pollutants

Results

Before and after using treo RTU General Purpose Cleaner.

Safer Choice

The U.S. EPA's Safer Choice Program helps consumers, businesses, and institutional buyers identify cleaning and other products that perform well and are safer for people and the environment.

Products with the Safer Choice Label help buyers identify and select products with safer chemical ingredients, without sacrificing quality or performance.

For more details, go to: www.epa.gov/saferchoice.
