OUR HISTORY

2009

DuBois Chemicals acquires **Blendco Systems**, a leading brand in the car wash chemical industry, famous for its patented SuperSat® system, based in Bristol, PA.

2015

DuBois Chemicals acquires **CAR Products**, a distinguished brand in the auto wash detail and retail sales sectors, based in Holyoke, MA.

2016

DuBois Chemicals acquires **Lynx Chemical** and **Eagle Manufacturing**, located in Hamilton, OH, expanding their manufacturing capability footprint.

2020

DuBois Chemicals acquires **Chemical Concepts** and adopts their legacy expertise in chemical sales and white glove service to the national tunnel sector.

2023

DuBois Chemicals acquires **T & E Sales**, a specialized chemical manufacturer and distributor located in Dunellen, NJ.

2025

Blendco, CAR, Lynx-Eagle, Chemical Concepts, and T & E come together to become **DuBois Auto Wash** combining ingenuity, specialized chemical manufacturing capabilities and expert industry knowledge to provide the best products and services to the car wash industry.

WAREHOUSING & MANUFACTURING

DISTRIBUTION WAREHOUSES

An expansive network of distribution warehouses strategically located across the US to service our customers.

PROFESSIONAL CAR CARE PRODUCTS

BLENDCO PREMIUM CAR CARE

ALKALINE BASE

1111 HPH POWDER

Alkaline powder specially formulated for use in our patented SuperSat® system. Delivers extra punch to touchless applications and is recommended for use in all types of friction and touchless wash systems. Available in boxes and pails.

1170 HA POWDER

Our most popular alkaline powder specially formulated for our patented SuperSat® system. Contains exclusive surfactant activators to tackle tough cleaning tasks with a higher saturation point compared to HPH. Best for smaller pump direct inject applications. Available in boxes and pails.

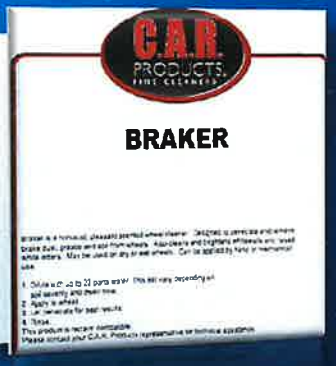

1182 SUPERSAT® ULTRA LIQUID ALKALINE

Concentrated and cost-effective liquid alkaline cleaner that combines with SuperSat® surfactants to make a finished detergent. An alternative to powder. Available in 5G, and 15G.

ICS-361 BRAKER

A superior wheel cleaner that is highly dilutable and very effective in all weather climates. It contains no acids yet is just as effective. Designed to penetrate and remove brake dust, grease and soil from wheels. Can be applied manually or mechanically without causing damage to equipment as sometimes occurs with acid cleaners. Available in 1G, 5G, 15G, 30G, and 55G.

FORMULATED ALKALINE DETERGENTS

1572 RHINO STOMP

A very strong non-phosphate alkaline detergent and presoak. Can be used in two-step processes, as a prep soap, a high-pressure detergent and in wheel cleaning applications. Available in 6G, 15G, 30G, 55G and 330G.

ICS-173 LIGHTNING HIGH PH CAR WASH

A moderate foaming high pH alkaline detergent designed for single or two-step frictionless washing. Offers superior wiper track and windshield "eyebrow" removal. Unique wetting system loosens soil and sets it up for easy removal. Pleasant scent. Works well as a second step with Thunder non-corrosive low pH detergent in a two-step process. Available in 5G, 15G, 30G, 55G, and 330G.

1093 EZ OFF BUG BLASTER

Bug remover formulated for easy application with maximum dwell time to remove the most stubborn bug residue. Also removes bird droppings and tree sap. Available in 6G, 15G, and 30G.

ICS-536 BUG ELIMINATOR

Designed to quickly soften insect residue, bugs and bird droppings for easy removal. Formulated to be safe on all vehicle finishes. Available in 5G, 30G, and 55G.

FOAM SOAPS & SURFACTANTS

1008 SUPER BRUSH

High foaming brush detergent with powerful cleaners added. Available in 6G, 15G, and 30G.

1470 TV BUG REMOVER

Bug remover specially designed for use in low pressure tunnel applications. Available in 6G and 30G.

1571 SUPER SUDS

A thick, rich, formulated foam brush detergent that produces a creamy foam. Available in 6G, 15G, & 30G.

1126 PRESOAK WITH FRAGRANCE

Concentrated blend of cleaners and foamers in a presoak. Melts road film, bugs and window haze. Pleasant berry scent. Available in 6G and 30G.

1118 FRAGRANCE TIRE & WHEEL

A blend of surfactants and solvents designed to clean wheels while providing a rich, orange foam with a pleasant evergreen fragrance. Available in 6G, 15G, and 30G.

1147 PRESOAK PLUS

High foaming presoak designed for direct inject applications. Pleasant mulberry scent. Available in 6G, 15G, and 30G.

1148 GRAPE BUG REMOVER

Presoak and bug remover with a pleasant grape fragrance. Best used with a high-pressure rinse. Available in 6G, 15G, and 30G.

LOW pH PRESOAKS WHEEL CLEANERS AND LUBE SOAP

1512 RHINO BRITE

Super strong acid presoak for use in two-step processes. High foaming, easy rinsing formula that gives cars a shiny "pop." Available in 6G, 15G, 30G, 55G and 330G.

1513 RHINO BRITE XF

Similar to Rhino Brite, but with extra acid power. Can be used as a wheel cleaner. Available in 6G,15G, 30G and 330G.

1570 RHINO BRITE PLUS

Our strongest phosphoric acid-based presoak to be used in two-step processes for automatic and full-serve car washes. Wild cherry scent. Available in 6G, 15G, 30G, and 330G.

1511 RHINO BRITE TRIPLE X

Our strongest low pH presoak. Excellent for removing the toughest road film, window mask, and brake dust. Fast acting and high foaming. Available in 6G, 15G, 30G, and 55G.

1455 LOW PH MITTER LUBE

Lube soap that provides the benefits of a low pH detergent and helps improve rinsing and drying. Available in 6G, 15G, and 30G.

TRI-COLORED FOAM SOAPS

Color Coat

1031 COLOR COAT (BLUE, RED, AND YELLOW)
High quality triple foam polish with rich foaming and wax properties. Delivers vibrant color and a pleasant berry fragrance for the ultimate in show. Ideal for splatter guns or any tri-color application. Available in 6G, 15G, and 30G.

Molten Shine

1557 MOLTEN SHINE (GREEN, ORANGE, & PURPLE)
High foaming, low pH detergent ideal for foaming applications placed throughout the tunnel. Best for use in foaming arches early in the wash cycle. Available in 6G, 15G, and 30G.

Rhino Foam Extreme

1683 RHINO FOAM EXTREME (BLUE, RED, YELLOW, & WHITE)
Our most effective, vibrant tri-color foam. Delivers outstanding foam, color, and cleaning with a creamy profile and a fresh cherry scent. Available in 6G, 15G, and 30G.

FRAGRAFOAM
Foaming Conditioner

1022 FRAGRAFOAM (BLUE, RED, AND YELLOW)
A fragrance tri-color foaming conditioner providing rich suds and a sweet berry fragrance. Available in 6G, 15G, and 30G.

FOAMING PROTECTANTS

1861 CERAMIC FOAMING PROTECTANT

A polymeric, silica-based protectant with high foaming properties. Provides protection from dirt, debris and UV rays, leaving a long-lasting shine. Pleasant watermelon scent. Available in 6G, 15G, and 30G.

1696 GUARDIAN GRAPHENE PROTECTANT

High foaming, full body protectant infused with graphene technology. Provides the ultimate durability, shine and UV protection with a pleasant mango citrus melon scent. Available in 6G, and 275G.

1694 GLADIATOR GRAPHENE WAX

Base coat graphene protectant that can be used alone or as a base layer under other graphene and ceramic products. Zesty citrus fragrance. Available in 6G.

1509 HOT WAX WITH CARNAUBA

High foaming polish with carnauba wax. Provides a hand-waxed softness and shine. Ideal for foaming wax arches. Pleasant pina colada scent. Available in 6G, 15G, and 30G.

1514 COLOR COAT CARNAUBA (BLUE, RED, AND YELLOW)

High foaming, brightly colored polish with carnauba wax to provide cars with a durable, soft, shiny surface. Vibrant colors provide excellent show. Ideal for splatter guns. Available in 6G, 15G, and 30G.

1852 CARNAUBA WAX (BLUE, RED, AND YELLOW)

Tri-color conditioner and wax all in one. Infused with carnauba wax for long-lasting shine, softness and protection. Available in 6G, 15G, and 30G.

FINISHING PROTECTANTS

1002 DURASHIELD PROTECTANT

Breakthrough total car protectant with polymer film technology and Body Armor® additive to bond longer and stronger to the vehicle's surface. Pleasant lemon fragrance. Available in 6G, 15G, and 30G.

1695 DURASHIELD PLUS

Total car protectant with the same properties as Durashield with a stronger fragrance and a creamier profile to give a richer, foamier show. Available in 6G, 15G, and 30G.

1505 SUPER SHIELD

A powerful clear coat protectant containing Body Armor® additive. Provides a remarkable, long lasting shine with a pleasant grape scent. Available in 6G, 15G, and 30G.

1859 CERAMIC TOTAL BODY PROTECTANT

A polymeric silica-based total body protectant, which forms a ceramic glass-like barrier, bonding fully with glass, chrome, rubber, plastic, and paint. Resists dirt and reflects harmful UV rays. Watermelon scent. Available in 6G, 15G, and 30G.

1698 GLAZE GRAPHENE SEALANT

Sealant product containing graphene oxide technology. Best used as a topcoat after ceramic/graphene application to maximize effectiveness, leaving a high-definition, mirror-like finish. Pleasant fruity fragrance. Available in 6G.

DRYING AGENTS

1081 LIGHTNING DRY

Our most effective drying agent for fast and complete drying. Available in 6G, 15G, and 30G.

1481 DRYING AGENT GEN II

Highly concentrated drying agent providing an instantaneous water break for quick drying results. Contains a proprietary polymer and sheeting agent. Available in 6G, 15G, and 30G.

1508 COOL DRY

Drying agent with a pleasant cherry scent for use in the final rinse to cause water to bead. Can be used as a clear coat protectant at higher concentrations. Available in 6G, 15G, and 30G.

WATER-BASED TIRE SHINES

1493 TIRE GLOSS – WATER BASED

Water based tire shine and protectant that imparts a high gloss "wet" look on tires. Has great coverage, low sling, and is fast drying and durable. Available in 6G, and 30G.

1699 TITAN TIRE SHINE WITH GRAPHENE

Water based tire shine infused with graphene oxide technology for a long-lasting shine. Available in 6G.

CAR-207 PROTECT-IT

Water based, non-solvent tire dressing that performs like a solvent-based product. Can be applied manually or mechanically. Available in 5G, 30G, and 55G.

SOLVENT-BASED TIRE SHINES

1555 TIRE GLOSS –SOLVENT BASED

Solvent based tire shine and protectant that provides long lasting shine with no sling.
Available in 6G, 15G, and 30G.

1488 SB2 TIRE GLOSS

Thinner solvent based tire shine and protectant that provides long lasting shine and no sling.
Available in 6G,15G, 30G, and 55G.

CAR-203 SPARKLEBERRY

Premium solvent based dressing for use on vinyl, tires, bumpers, and trim. Long lasting and water repellent. Strawberry scent. Available in 1G, 5G, 30G, 55G, and 275G.

ICS-556 LIQUID EBONY

Solvent based tire dressing designed to be applied through automatic online tire dressing equipment that uses pads. Produces a durable, shiny finish. Available in 5G, 30G, and 55G.

WALL CLEANERS

1558 RENEW WALL

Heavy-duty, concentrated, acid based wall cleaner formulated to clean glazed ceramic tile, painted protected brick, cinder block, and FRP walls. Apply at low pressure and rinse with high pressure. Available in 6G, and 55G.

1554 WALL BRITE

Outstanding acid wall cleaner designed to clean tile, brick, cinder block, FRP and PVC walls. Apply at low pressure and rinse with high pressure. Available in 6G, and 30G.

1697 WALL MATE

Citric acid based medium-heavy cleaner with aluminum brighteners. Good maintenance cleaner for daily or weekly use. Non-HF. Available in 5G.

1554 WALL BRITE 7.0

Neutral, non-toxic alternative to chemically harsh wall cleaners. Best used as a maintenance wall cleaner. Concentrated; can be diluted 50/50 and applied with a manual sprayer. Rinse well after allowing to dwell. Available in 6G, 15G, and 30G.

GLASS CLEANERS

STREAK FREE RTU GLASS CLEANER

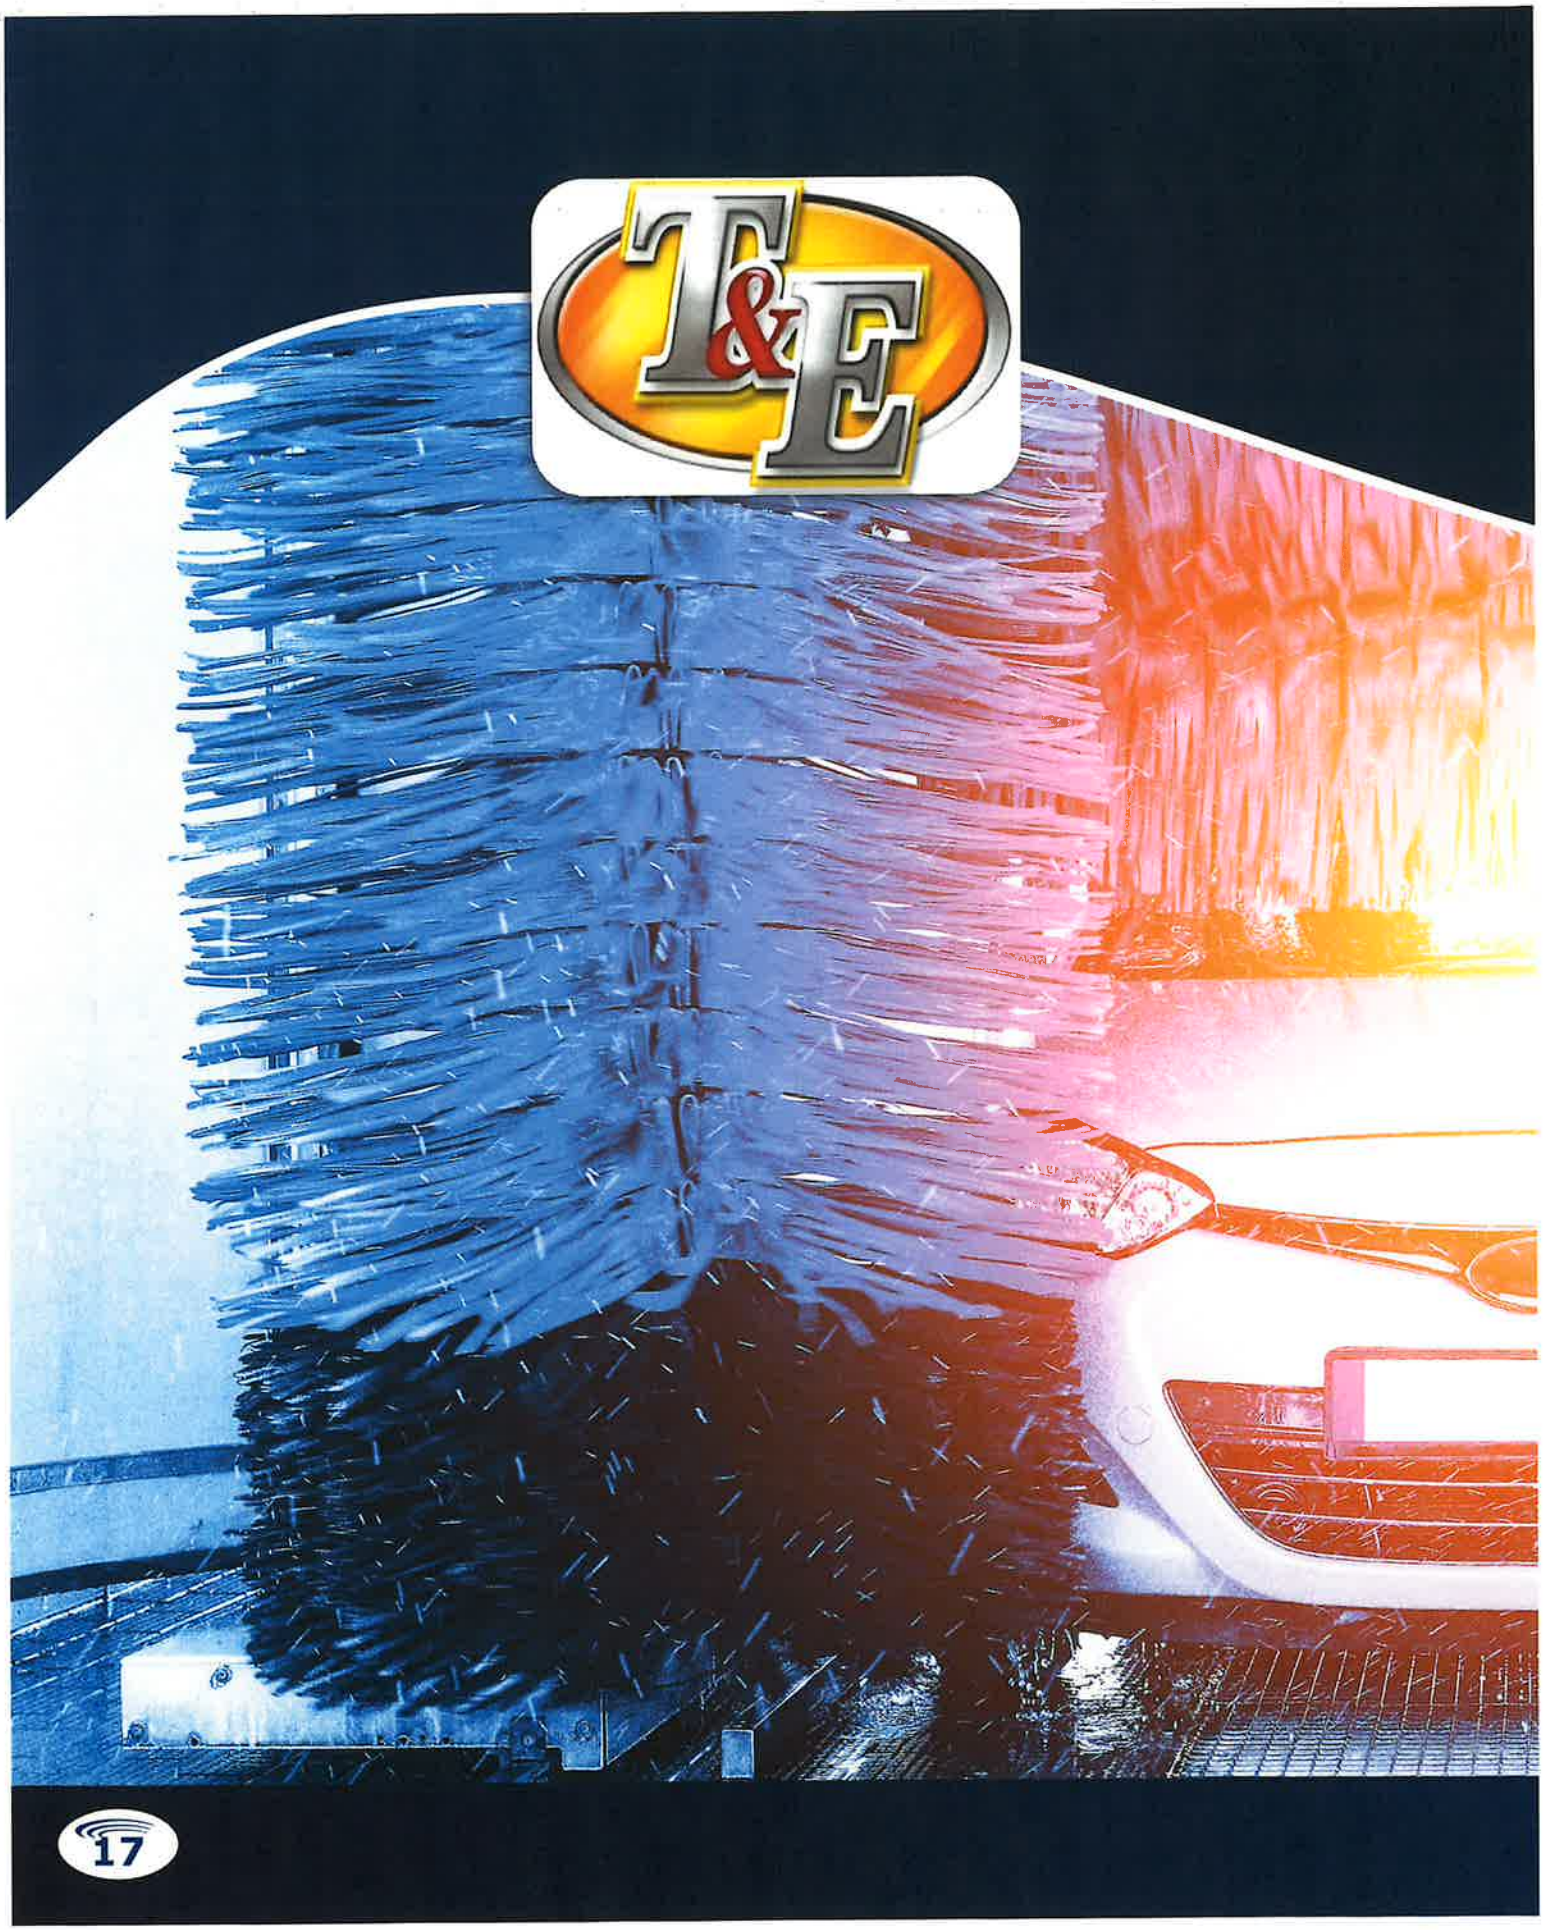

CAR-153 STREAK FREE RTU GLASS CLEANER

Unique formulation designed specifically to clean glass without leaving streaks or haze.
Contains no dyes, fragrances, or foamy soaps. Completely evaporates after a couple cleaning swipes.
Removes dirt and grime from windshields, mirrors, and windows.
Ready to use. Available in 1G, 5G, 15G, 30G, and 55G.

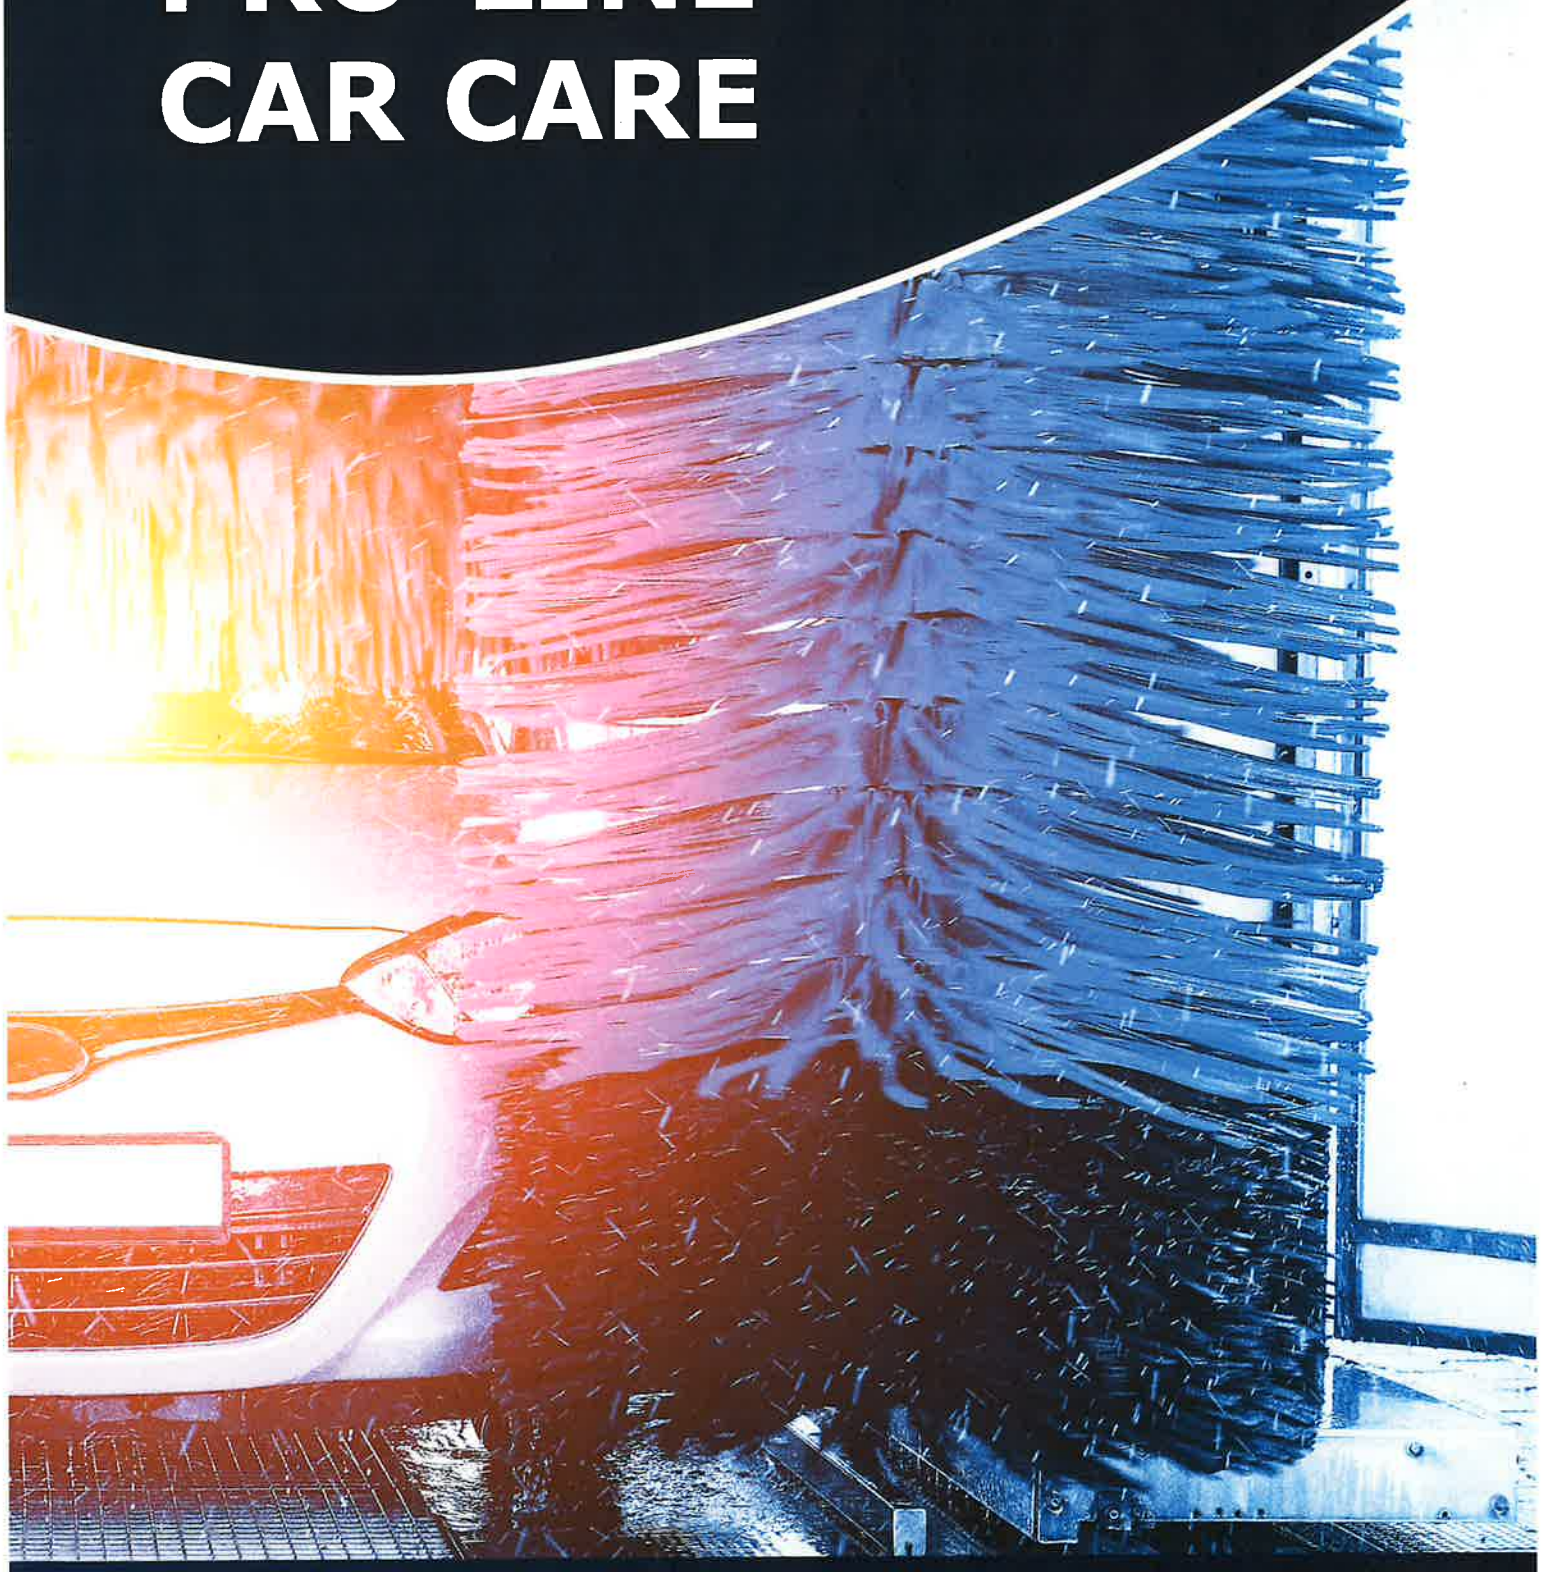

DIAMOND GLASS CLEANER CONCENTRATE

ICS-560 DIAMOND GLASS CLEANER CONCENTRATE

Concentrated ammonia-free glass cleaner that leaves glass sparkling clean.
Contains an anti-fog agent and has a pleasant fragrance.
Available in 1G, 5G, 15G, 30G, and 55G.

T&E

PRO-LINE CAR CARE

FORMULATED ALKALINE DETERGENTS

TE-198 TOUCHLESS HI PH PRESOAK

A non-corrosive, hard water tolerant cleaner formulated with active foamers. Designed for high dilution use in both high and low pressure applications. Dilution 1:90-1:200. Available in 1G, 5G, 15G, 20G, 30G, 55G, and 275G.

TE-156 NEW FORCE PRESOAK

Concentrated high pH presoak with a great foam show. State-of-the-art surfactants penetrate and loosen heavy traffic film and bug residues from the vehicle surface. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

TE-214 WINTER PRESOAK

Super concentrated high pH foaming presoak that is high foaming and free rinsing. Outstanding cleaning and good visual appeal with strong alkalinity for extra cleaning power. Available in 5G, 15G, 20G, 30G, and 55G.

1661 SB HP DETERGENT

Alkaline high-pressure detergent, blended to order for a low cost, high performance result. Available in 15G, 30G, and 55G.

LOW PH PRESOAKS, WHEEL CLEANERS, AND LUBE SOAP

TE-143 HURRICANE WHEEL CLEANER

A powerful, corrosive, heavy-duty wheel and rim cleaner engineered to cut through the toughest brake dust, mineral build-up, and embedded grime for fast, dramatic cleaning results. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

TE-191 T&E WHEEL AND RIM CLEANER

Concentrated, non-corrosive, acid-free wheel cleaner that is safe and easy for employees to use. Delivers fast, powerful removal of organic and inorganic dirt from rims and tires. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

TE-209 WHEEL BRITE

HF acid wheel cleaner built for maximum cleaning power and fast operation. Also effective on bay walls. Intended only for use by experienced operators. Dilution 1:8-1:17. Available in 1G, 5G, 15G, 20G, 30G, 55G, and 275G.

TE- 12555C LO PH SOAP W/CHERRY

Ultra concentrated low pH foam soap specifically designed for glass and chrome cleaning. Free rinsing with a thick foam. Dilution 1:20-1:140. Available in 55G, 275G, and 330G.

FOAM SOAPS & SURFACTANTS

TE-178 SUDS PLUS

Ultra concentrated neutral foam soap with state-of-the-art surfactants to penetrate and clean. Dilution 1:200-1:240. Available in 1G, 5G, 15G, 20G, 30G, 55G, and 275G.

TE-144 INSTANT FOAM

Lo pH soap that is free rinsing and excellent for use in hard water. Designed for use in car wash foamers. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

TRI-COLORED FOAM SOAPS

TE-130 EXTREME LO PH TRIPLE FOAM POLISH

Super concentrated triple foam with 100% wax. Foams and rinses completely. Works best with newer style foamers to provide excellent end results. Dilution 240:1. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

TE-189 SUPER SHOW

A multi-use polish and conditioner. Produces a thick layer that gives great visual effect. Dilution 1:90-1:120. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

1663 SB TRI-COLOR CONDITIONER RED, YELLOW, & BLUE

Tri-color foaming conditioner blended to order for lower cost with high performance and show. Available in 5G, 15G, and 55G.

FOAMING PROTECTANTS

ICS-793 FOAMING REPEL WAX

Designed to be used through a foaming "bubblizer" type applicator. Contains carnauba wax and polymers that provide a UV protective barrier on the vehicle's surface while leaving a protective high gloss finish. Pina colada scent. Available in 5G, 15G, 30G, and 55G.

TE-188 SUNSHINE

Our triple foam drying agent that can also be used as a foaming clear coat. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

1664 SB CLEAR COAT PROTECTANT

Foaming clear coat protectant blended to order for low cost with high performance. Available in 5G, 15G, 30G, and 55G.

FINISHING PROTECTANTS

TE-175 BODY GUARD

Specially formulated blend of high-quality silicones to produce a long-lasting shine. Produces a fast rinsing, yellow foam and pleasant citrus fragrance. Available in 5G, 15G, 20G, 30G, and 55G.

TE-115 CERAMIC SEALANT

Sealant that provides UV protection, superior gloss and a hydrophobic finish, promoting an overall easier vehicle to clean. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

DRYING AGENTS

TE-162 PREMIUM DRYING AGENT

Drying agent for all car wash types. Scientific formula that bonds to the vehicle and delivers a fast-breaking effect, leaving a brilliant shine with optimum brighteners. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

TE-163 RINSE GLOSS

Ultra concentrated drying agent sealer wax for all car wash types. This scientific formula bonds to the vehicle and delivers a fast-breaking effect, leaving a brilliant shine with optimum brighteners. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

TIRE SHINES

TE-206 OUTERGLOW 2000

Water based, homogenized tire dressing for automatic or manual tire shine applications. Contains highly concentrated, premium silicone. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

TE-124 CITY SHINE

Economical, hand-applied tire shine available in both gel and thin formulas. Delivers a brilliant, long-lasting finish that won't sling onto the vehicle. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

TE-171 SOLVENT TIRE SHINE THICK

Solvent and silicone-based formula with a high viscosity. Best for online tire dressing machines. Available in 1G, 5G, 15G, 20G, 30G, 55G, and 275G.

WALL CLEANERS

ICS-515 RENEW EQUIPMENT CLEANER

Concentrated, effective acid-based detergent that cleans car wash wall and equipment. Great for removing soap scum and many other types of soil. Can be diluted with up to six parts water. Available in 5G, and 55G.

TE-131 EZ CLEAN

Acid-based wall and equipment cleaner that is also effective on walkways, windows, concrete, and stainless steel. Quick acting and easy to apply. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

SPECIALTY CLEANERS

CAR-120 MAXI-CLEAN

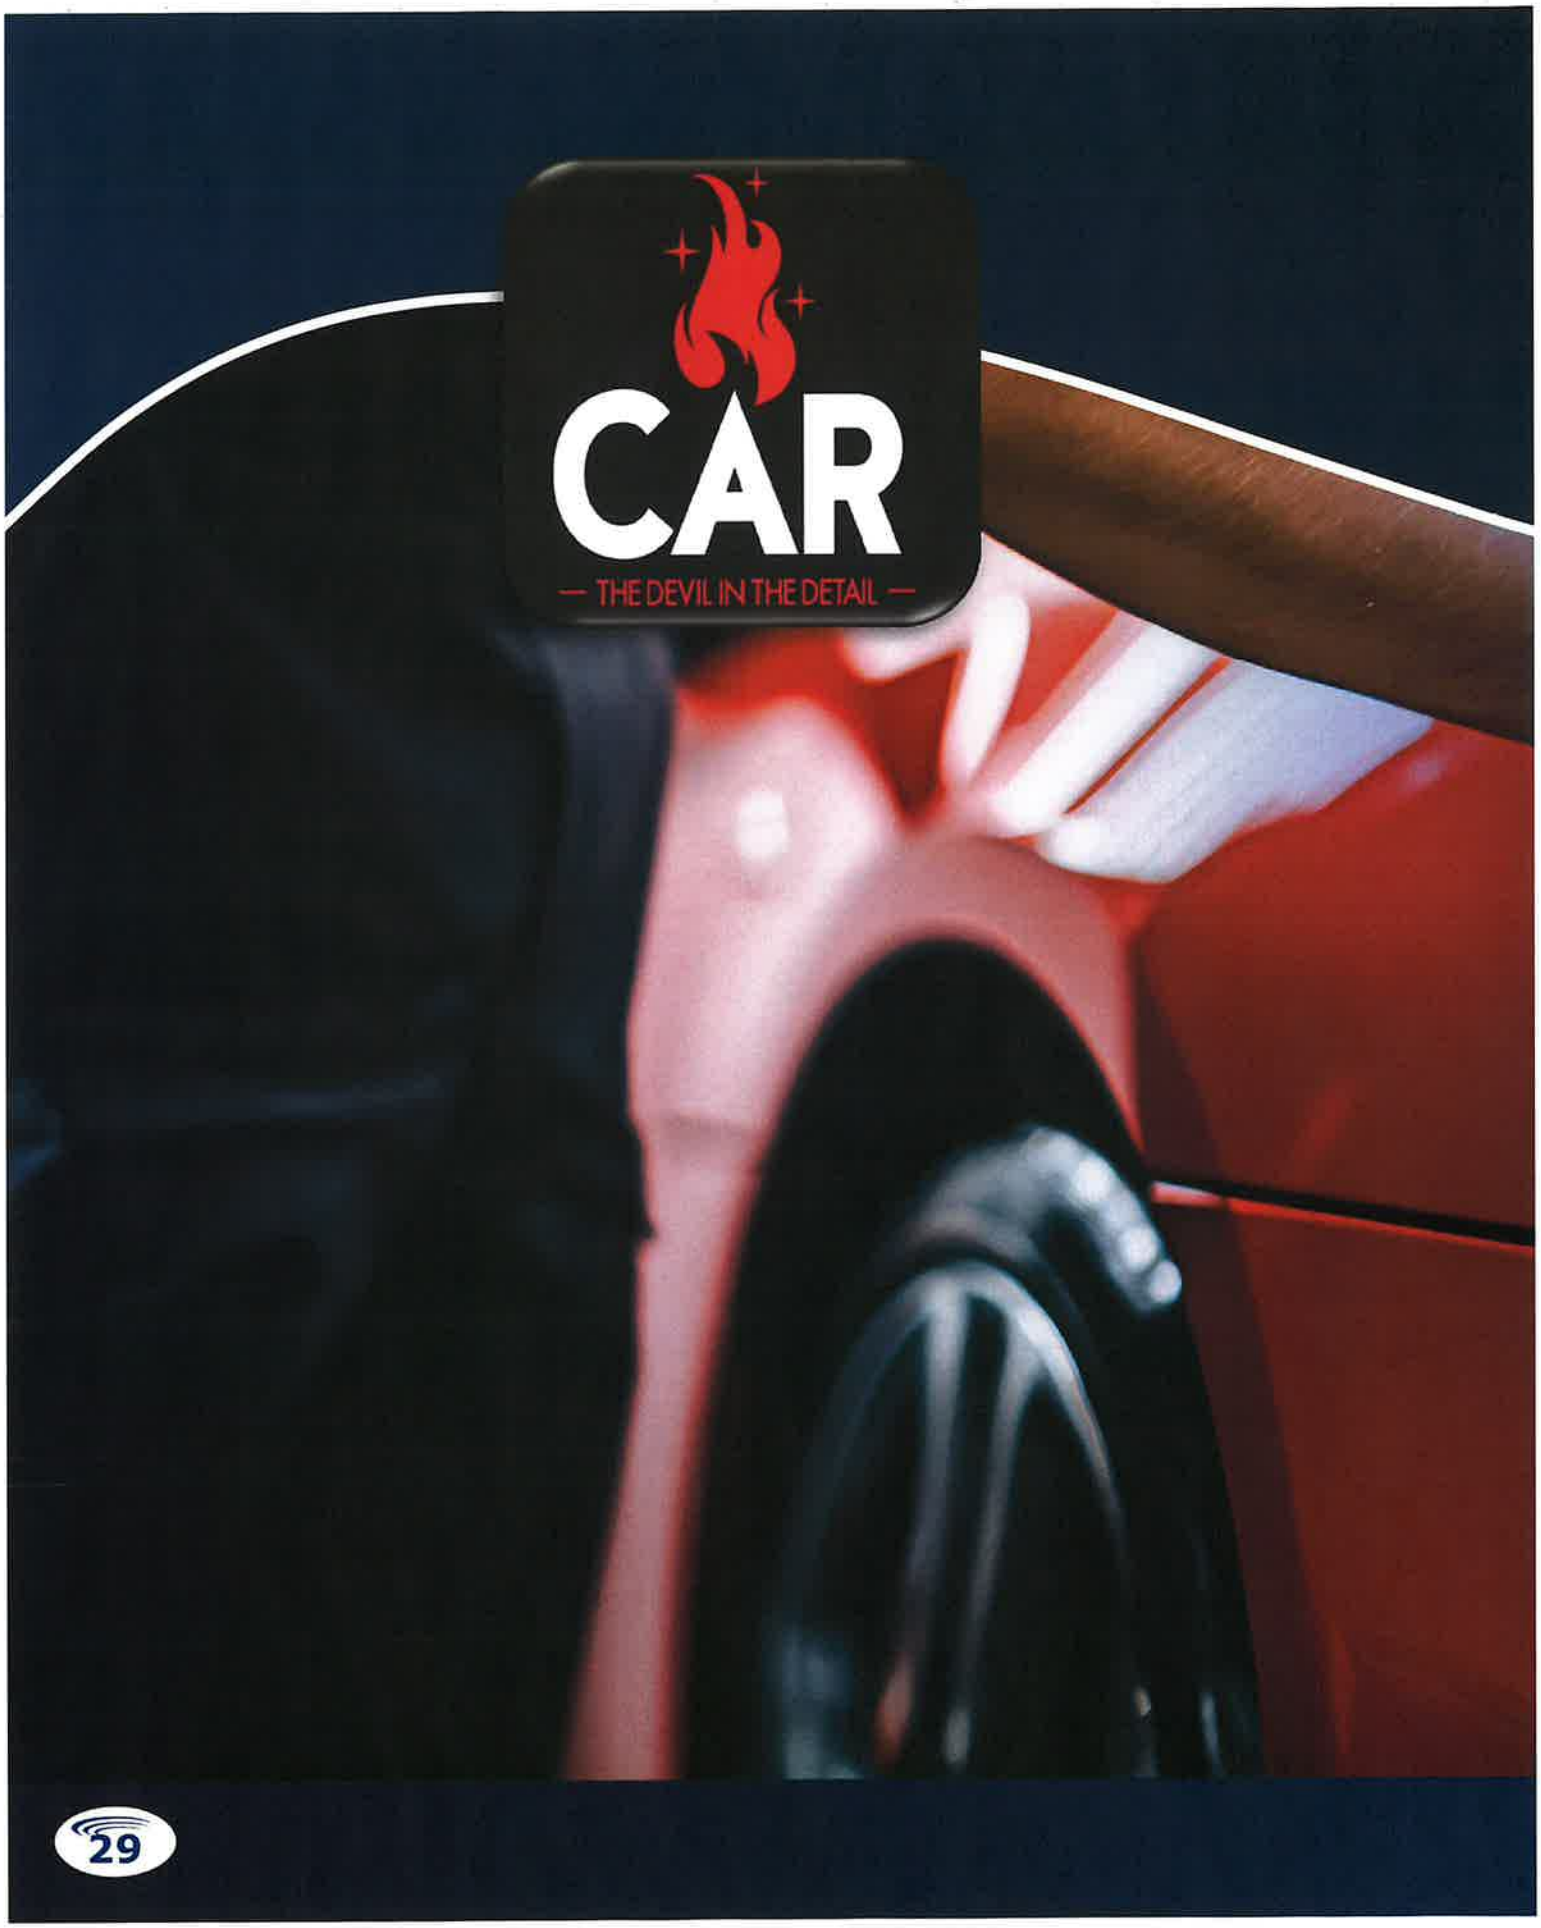

Heavy duty degreaser designed to clean wheels, white walls and engines. Provides a lime scented foam. Designed for use in self-serve bays. Available in 5G, 30G, 55G, and 275G.

TE-174 SPARKLE LIQUID LAUNDRY SOAP

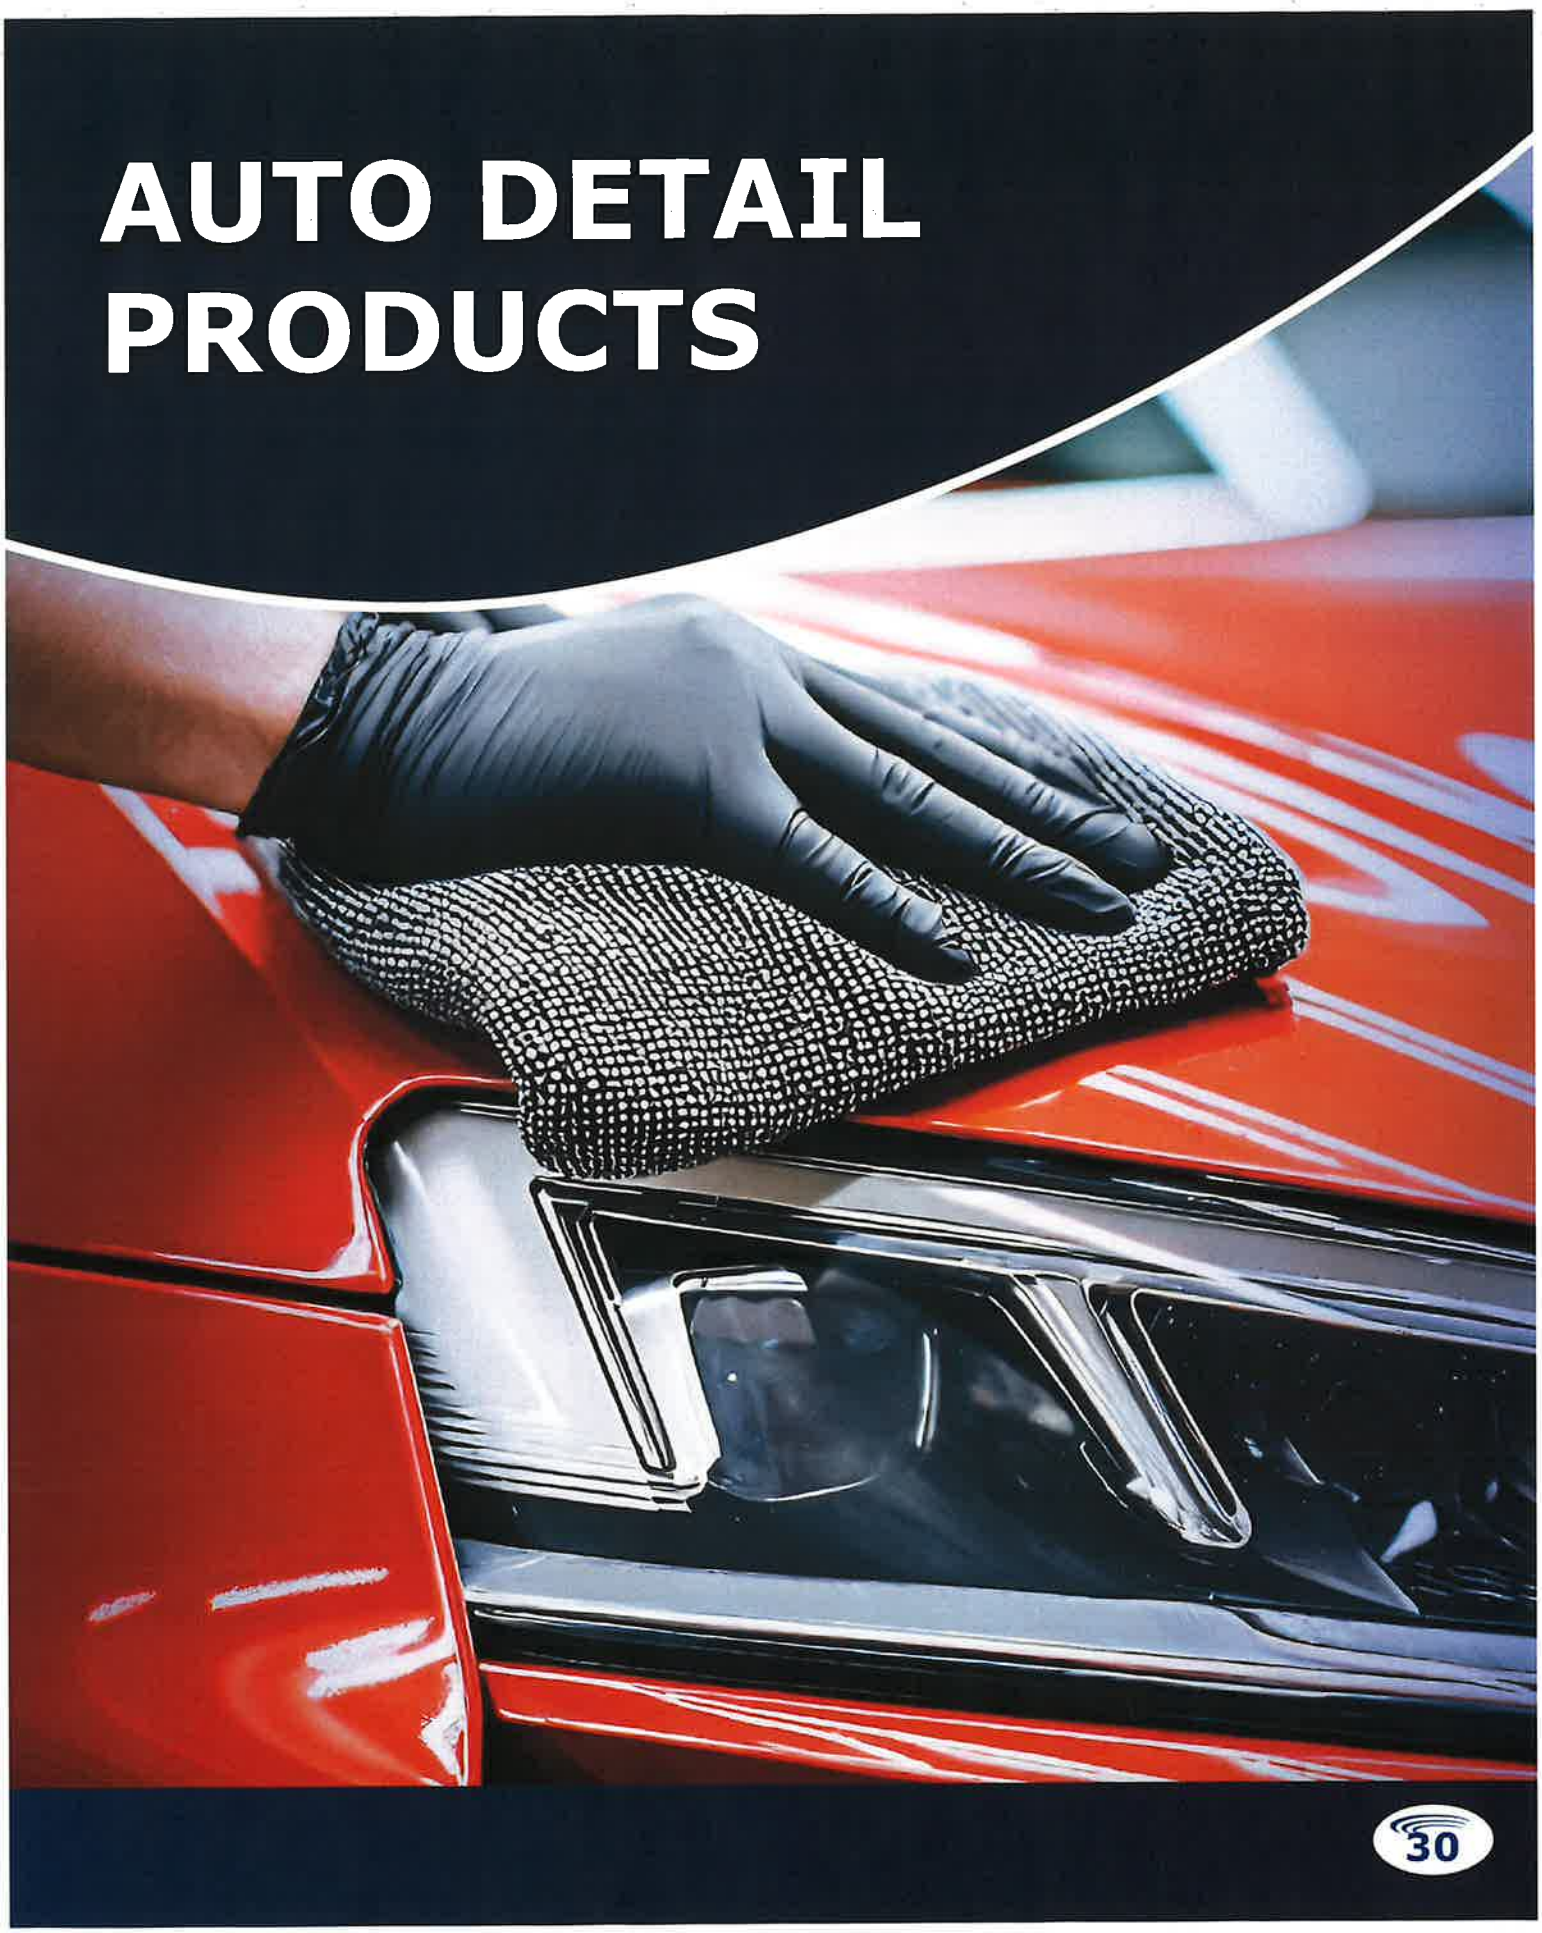

Liquid laundry soap that cleans in all temperatures and is safe for all machine washables. Contains optical brighteners and is completely biodegradable. Tough on grease and silicone. Available in 1G, 5G, 15G, 20G, 30G, and 55G.

TE-118 CITRUS DEGREASER AND CLEANER

Degreaser with the added strength of citrus for the toughest of jobs. Can be used for detail, touch-ups and white letters. Available in 1G, 5G, 15G, 20G, 30G, 55G, and 275G.

CAR
— THE DEVIL IN THE DETAIL —

AUTO DETAIL PRODUCTS

COMPOUND, POLISH, & WAX

CAR-349 WICKED COMPOUND

Fast cutting aggressive compound containing a unique abrasive. Effectively removes 1000 grit or finer sanding scratches and 1200 grit or finer sandpaper scratches on gel coat. Available in 32oz,1G and 30G.

CAR-356 WICKED POLISH V-1

Silicone free buffing polish that provides extended buffing time. Contains micro polishing abrasives that result in an extreme gloss. Offers virtually no dusting and easy wipe off. Eliminates swirls. Available in 32oz, 1G and 55G.

CAR-324 PERFECTION WAX

A unique blend of carnauba and synthetic polymers to produce a deeply reflective and durable high-gloss finish. Easy wipe off to conceal fine scratches and swirls. Dries dust-free. Can be applied by hand or orbital polisher. Available in 32oz, 1G, and 55G.

CAR-315 CERAMIC SPRAY SEALANT

Spray that provides ceramic durable protection and extreme shine. Can be used as a last-step sealant or a quick detailer. Produces a hydrophobic surface with UV protection. Available in 32oz,1G, 55G, and 275G.

INTERIOR

Interior cleaner and conditioner that removes dirt, grime and grease from vinyl, plastic and leather. Leaves a rich, satin gloss. Contains special polymers to prevent fading and cracking. Available in 32oz, 1G, 5G, 55G, and 275G.

CAR-184 CLEAN & SHEEN

Water-based surface dressing that can be used on vinyl, leather, moldings, and plastic to produce a high-gloss, water and detergent resistant finish. Available in 32oz, 1G, 5G, 30G, and 55G.

CAR-206 PEARL GLOSS

Interior fragrance that eliminates organic odors, cigarette smoke, mildew and other odors on contact without masking with heavy perfumes. Suitable for removing odors from automotive, marine, and household environments while leaving a fresh scent. Available in 32oz, 1G, and 55G.

CAR-430 ORIGINAL BREEZE

EXTERIOR

CAR-170 SOLV-ALL

A mild solvent designed for removing reactive adhesives such as epoxy and silicones. Also removes grease and wax from painted surfaces. Available in 32oz, 1G, 5G, and 55G.

CAR-172 TAR CLEAN

Removes tar, undercoating, bugs, grease and asphalt from painted surfaces. VOC compliant and will not harm clear coat paint or glass. Can also be used on vinyl trim. Available in 32oz, 1G, 5G, and 55G.

CAR-163 MAX CONCENTRATED CAR WASH

Concentrated exterior car wash that produces rich, thick, long-lasting suds and a cherry scent. Safely lifts dirt and grime without stripping wax. Free rinsing, biodegradable formula that leaves a glossy shine. Dilution 1:400 with water. Available in 1G, 5G, and 55G.

TIRES, WHEELS, AND GLASS

CAR-201 ROYAL SHINE

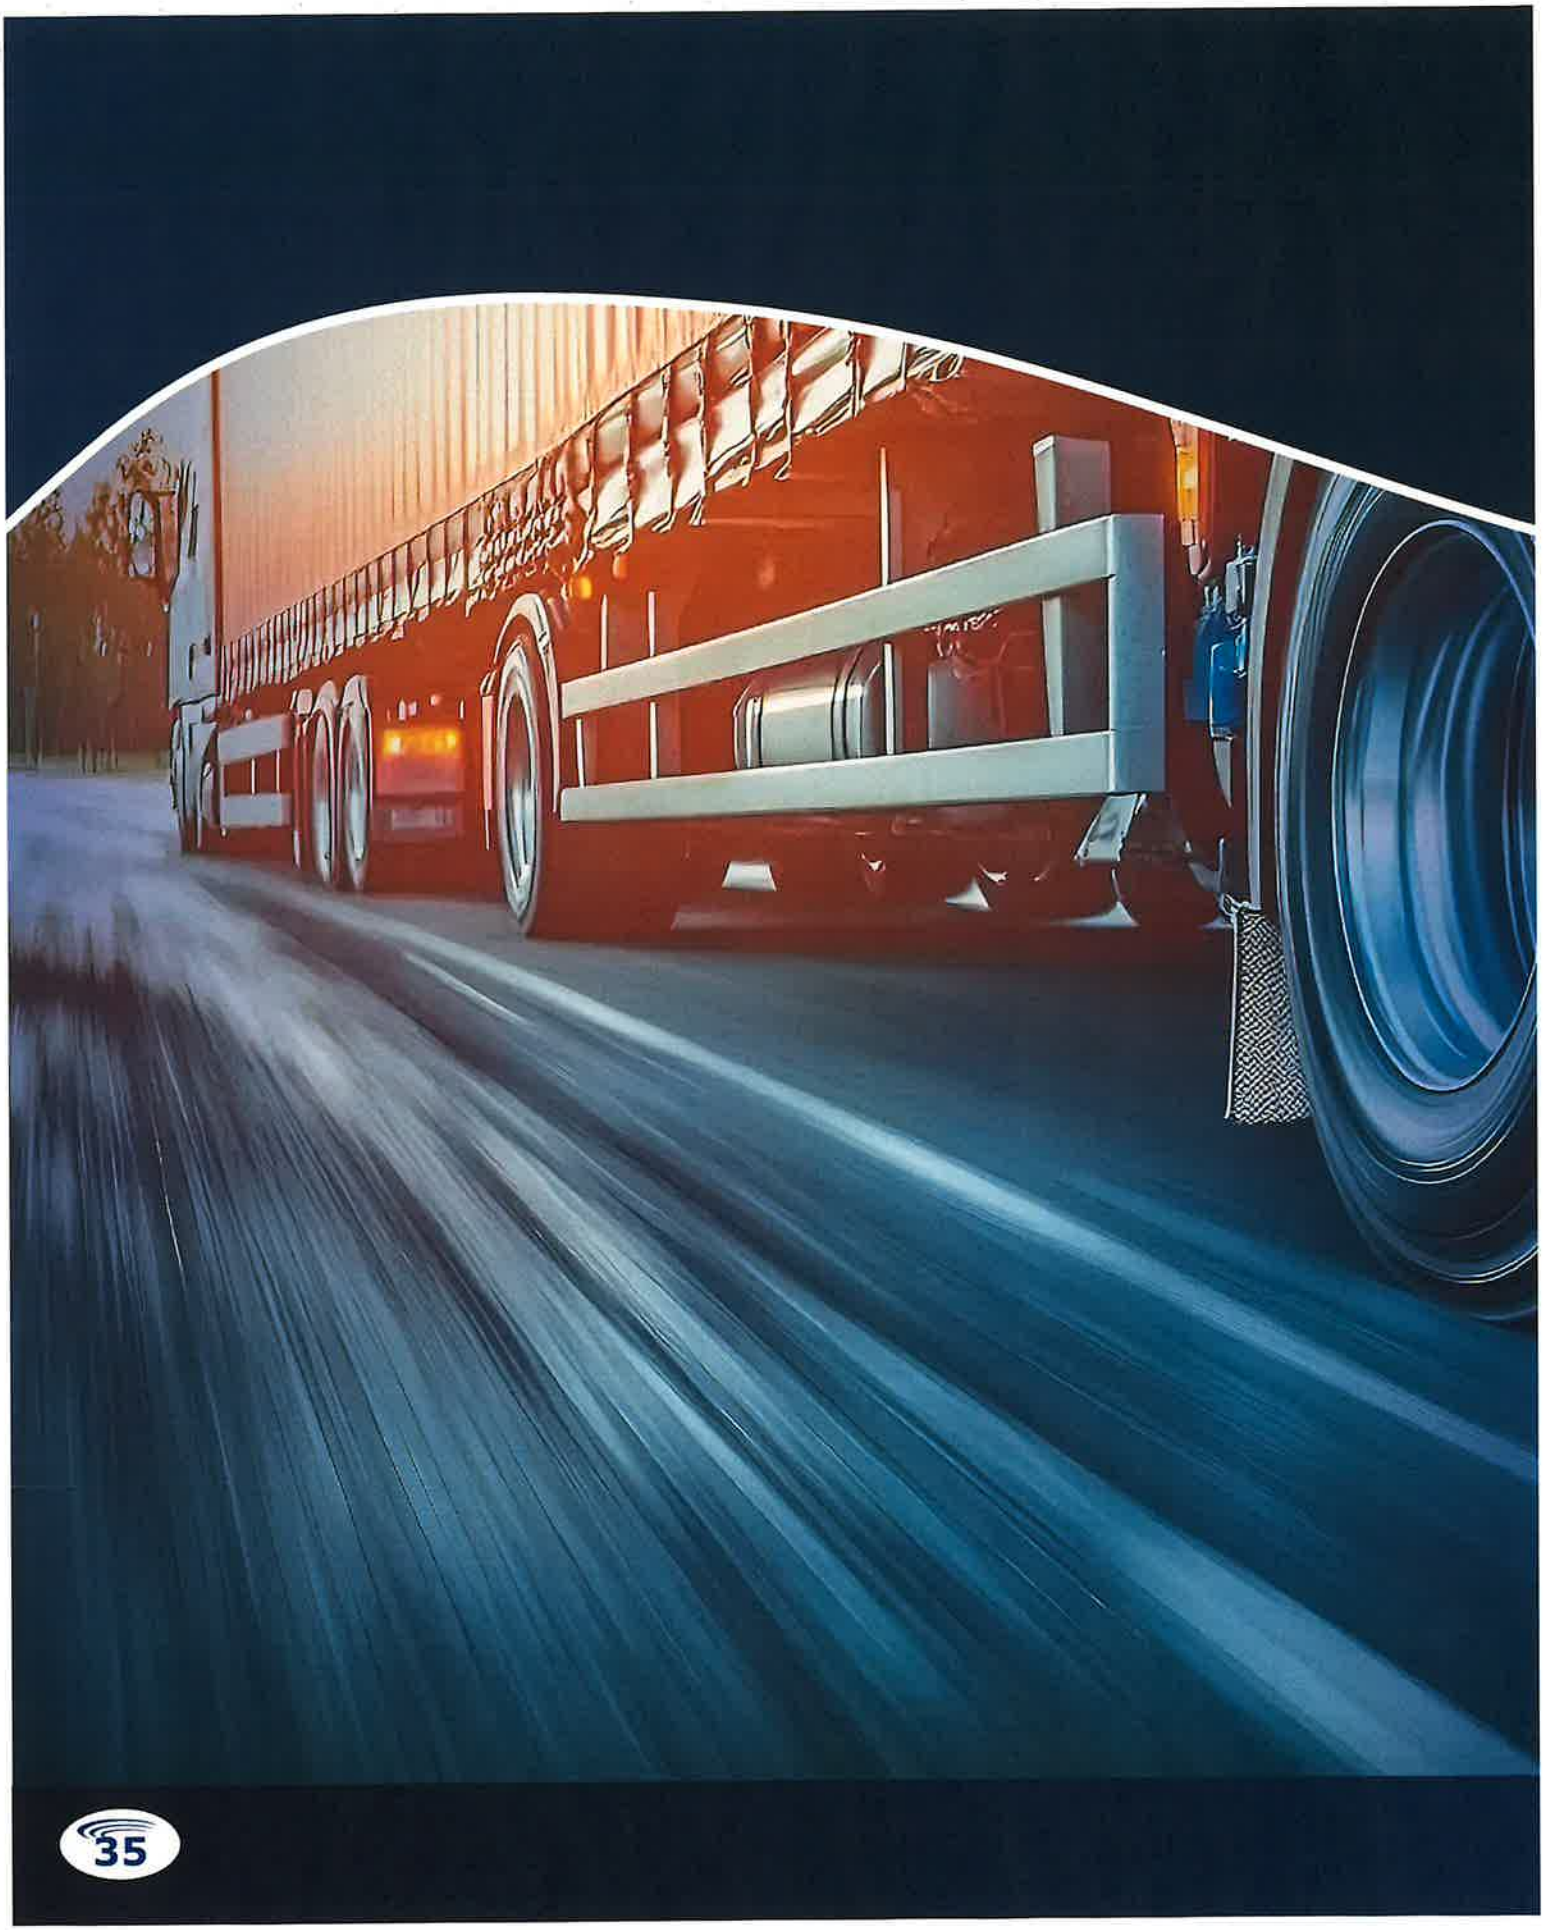

All purpose, solvent-based exterior dressing for hard surface materials such as vinyl, bumpers, and tires. Provides a long-lasting shine with a fresh, melon scent. Available in 32oz, 1G, 5G, 30G, and 55G.

ICS-361 BRAKER

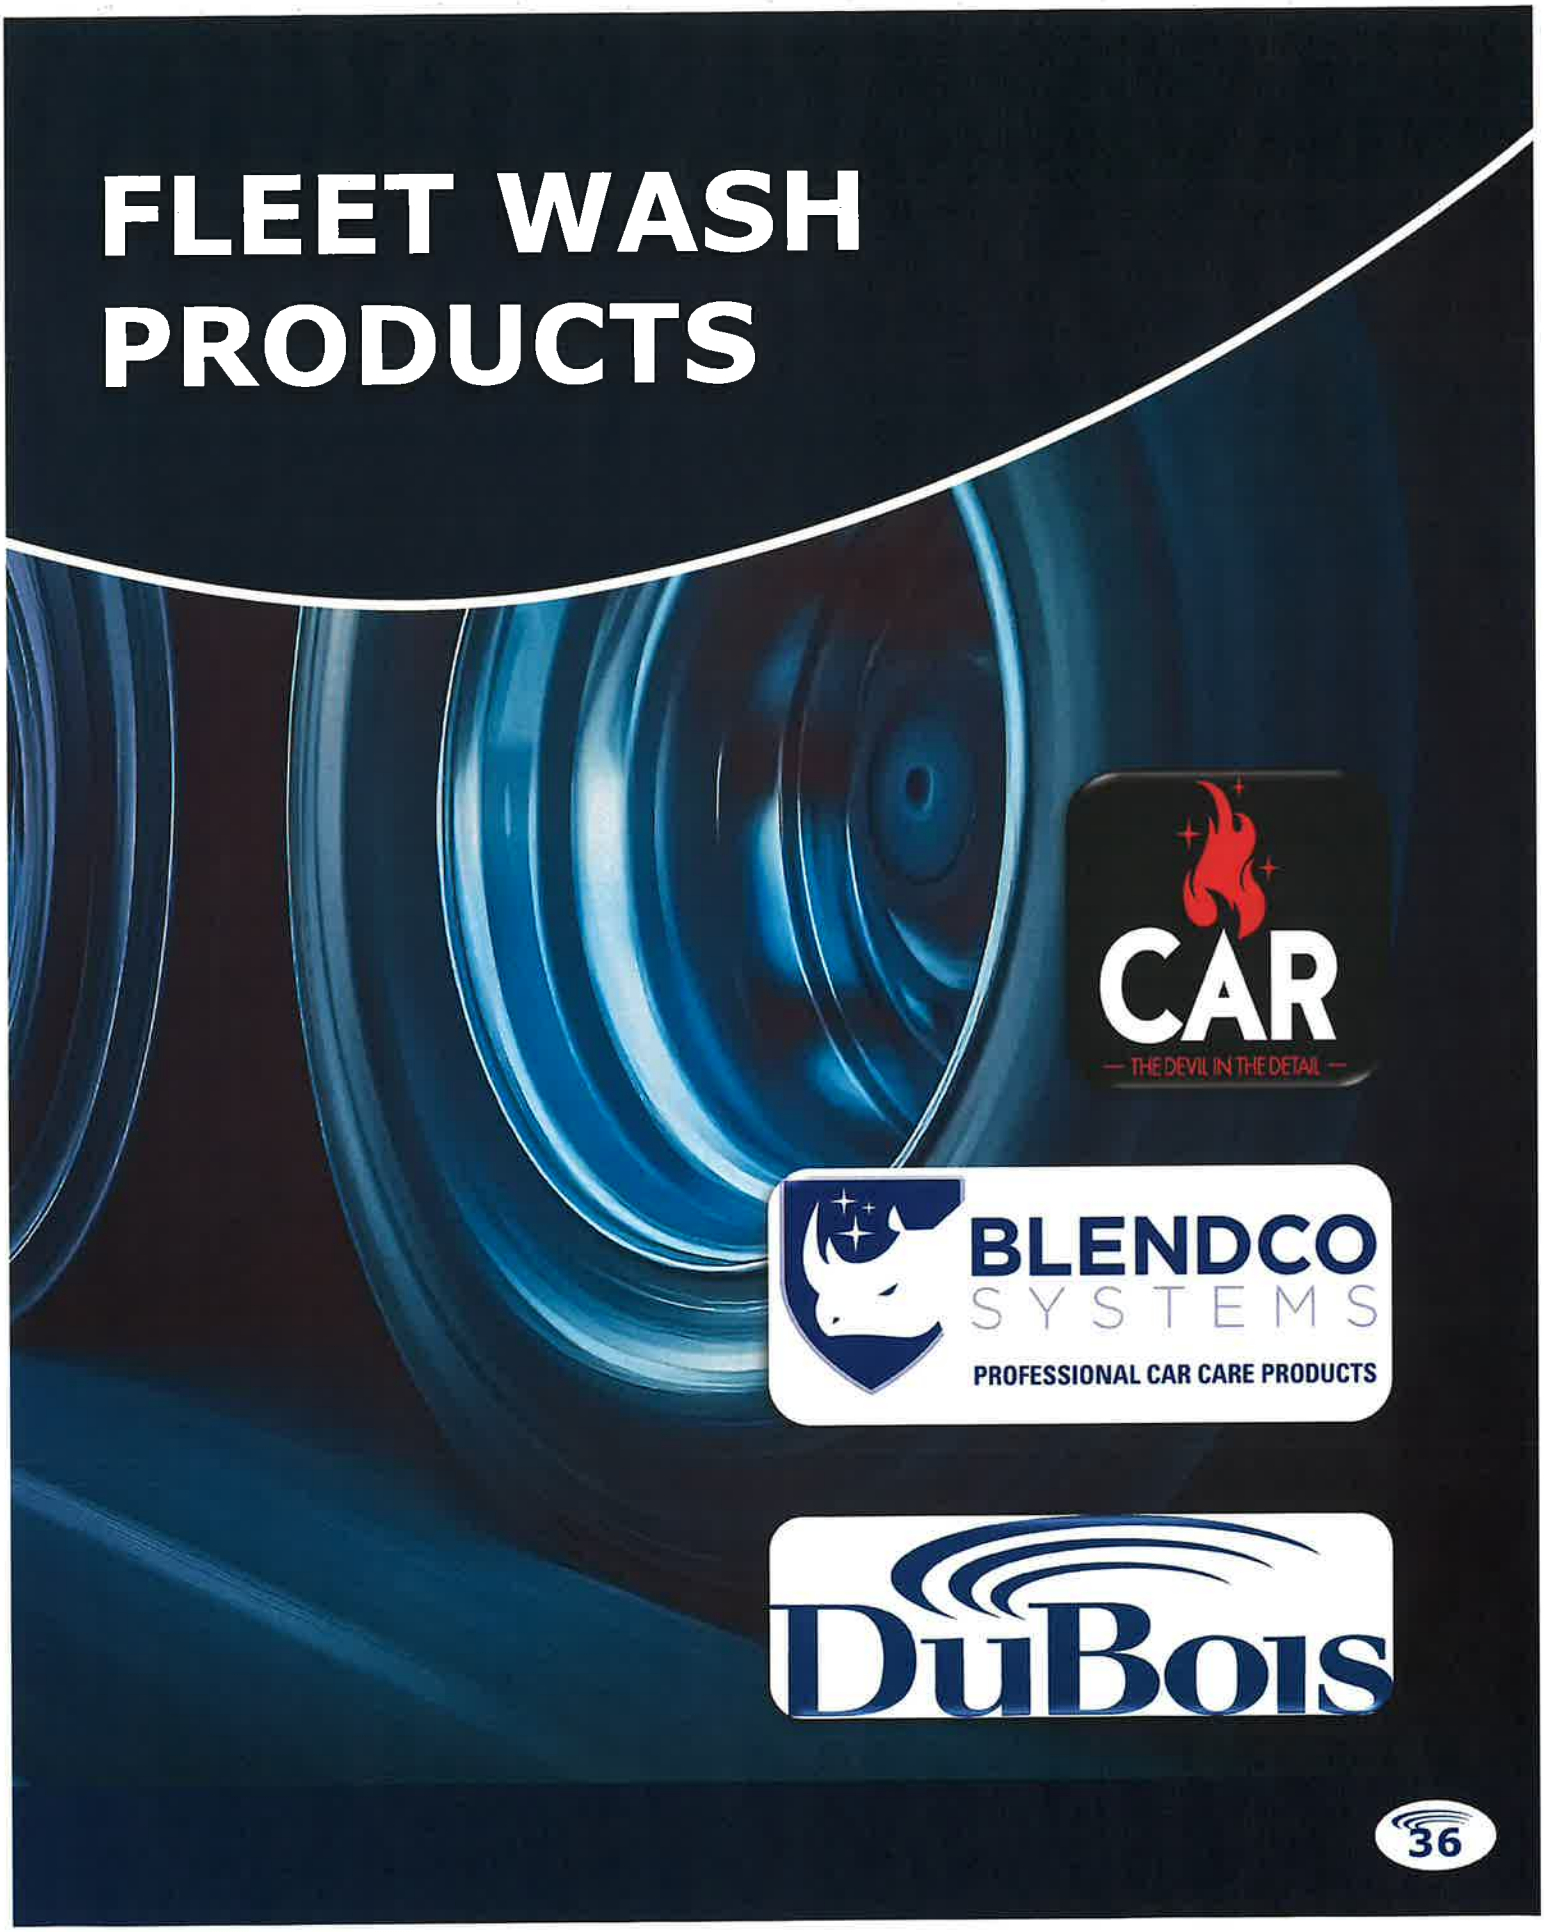

Superior wheel cleaner that is highly dilutable. Contains no acids. Penetrates and removes brake dust, grease, and soil from wheels. Can be applied manually or mechanically. Available in 1G, 5G, 15G, 30G, and 55G.

CAR-153 STREAK-FREE RTU GLASS CLEANER

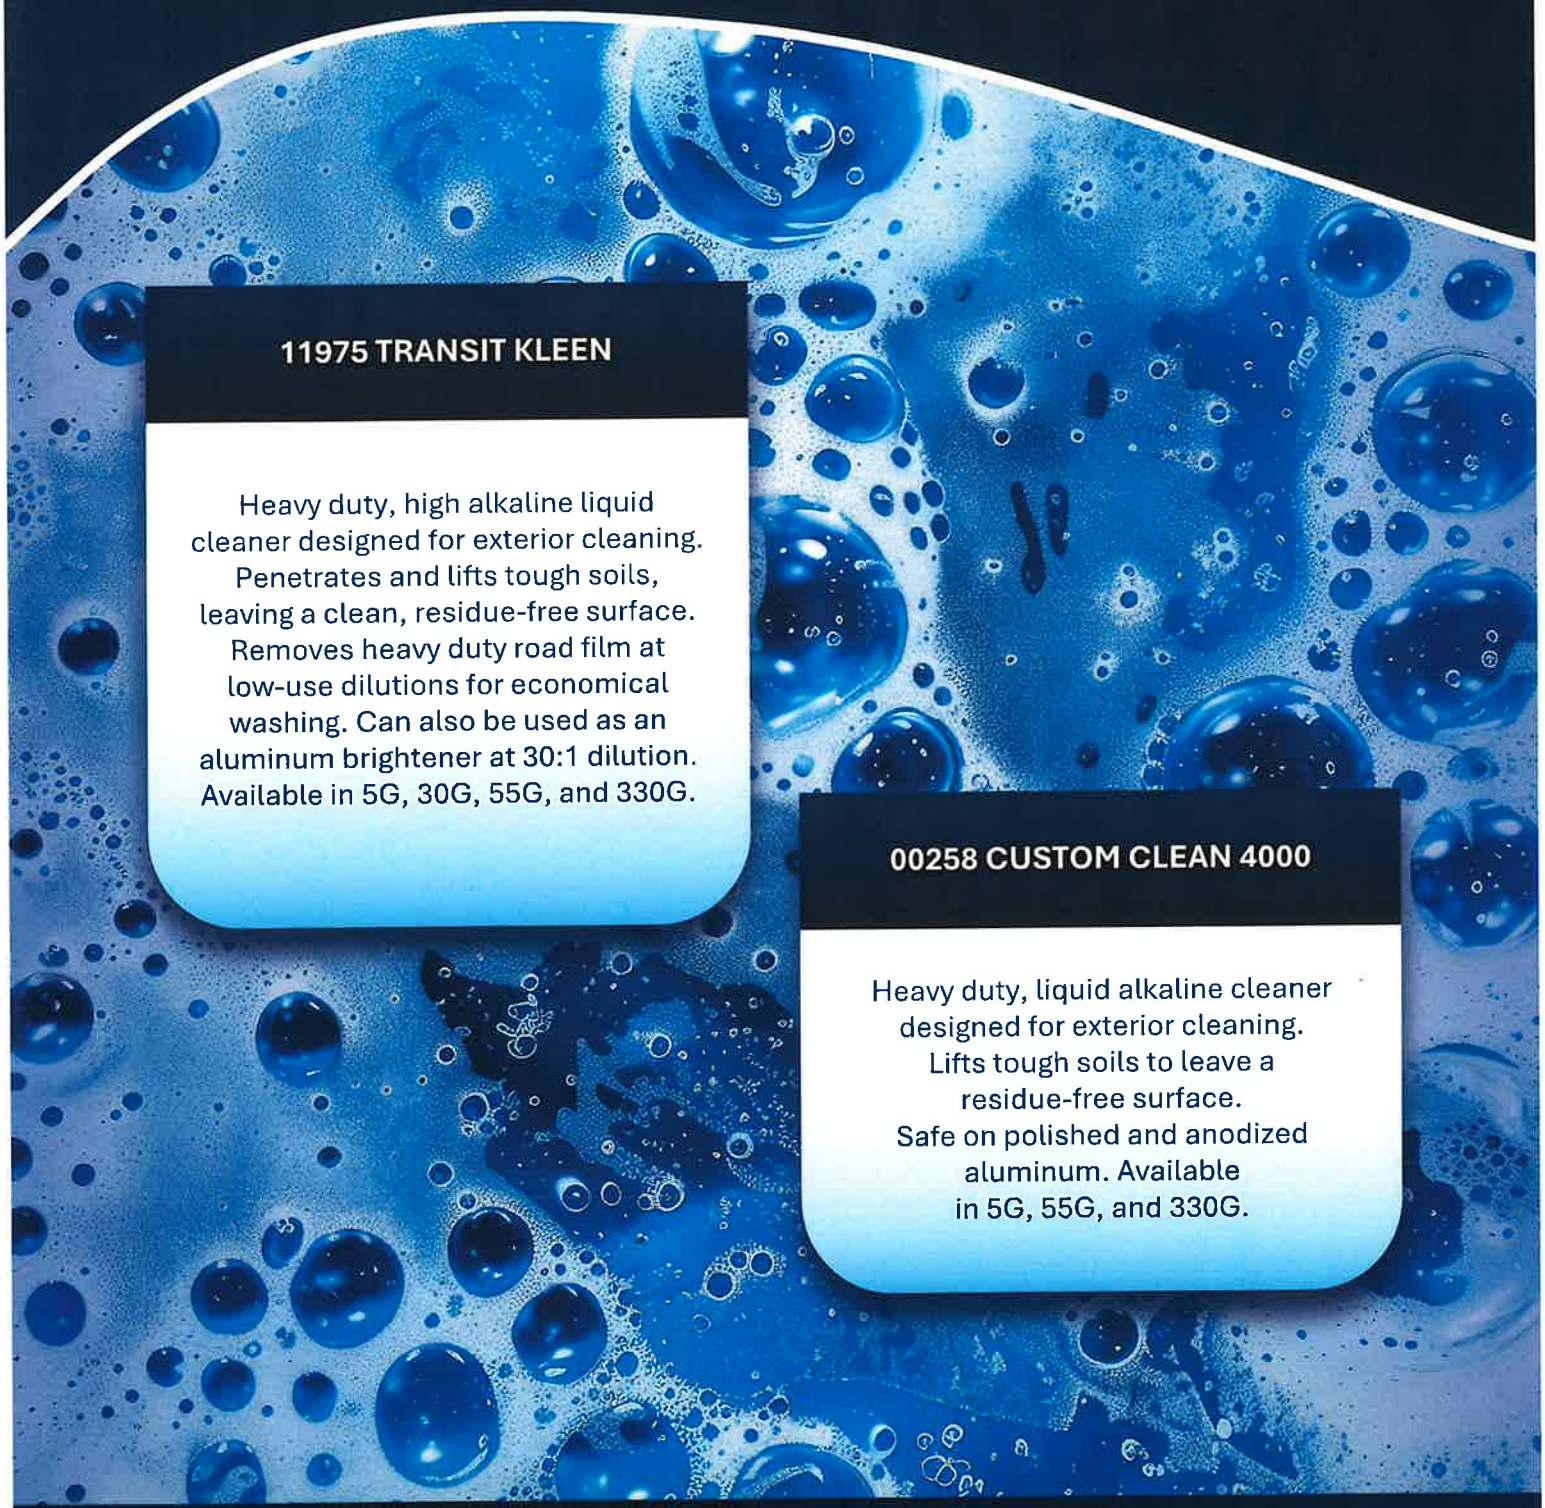

Ready-to-use formula that cleans glass without leaving streaks or haze. Contains no dyes, fragrances, or foam soap. Great for windshields, mirrors, and windows. Safe on tinted windows. Available in 32oz, 1G, 5G, 15G, 30G, and 55G.

FLEET WASH PRODUCTS

ALKALINE CLEANERS

11975 TRANSIT KLEEN

Heavy duty, high alkaline liquid cleaner designed for exterior cleaning. Penetrates and lifts tough soils, leaving a clean, residue-free surface. Removes heavy duty road film at low-use dilutions for economical washing. Can also be used as an aluminum brightener at 30:1 dilution. Available in 5G, 30G, 55G, and 330G.

00258 CUSTOM CLEAN 4000

Heavy duty, liquid alkaline cleaner designed for exterior cleaning. Lifts tough soils to leave a residue-free surface. Safe on polished and anodized aluminum. Available in 5G, 55G, and 330G.

ACID CLEANERS

11821 TRAILER BRITE

A non-hydrofluoric acid formula designed for exterior cleaning and aluminum brightening. Removes road film, diesel exhaust, grease, and petroleum soils. Ideal for low pressure applications.
Phosphate free.
Available in 5G, 55G, and 330G.

ALBRITEE ALUMA BRITE-E

A unique combination of acids and surfactants designed to work effectively at low temperatures to produce a mirror-bright finish on aluminum. Available in 1G, 5G, 55G, and 330G.

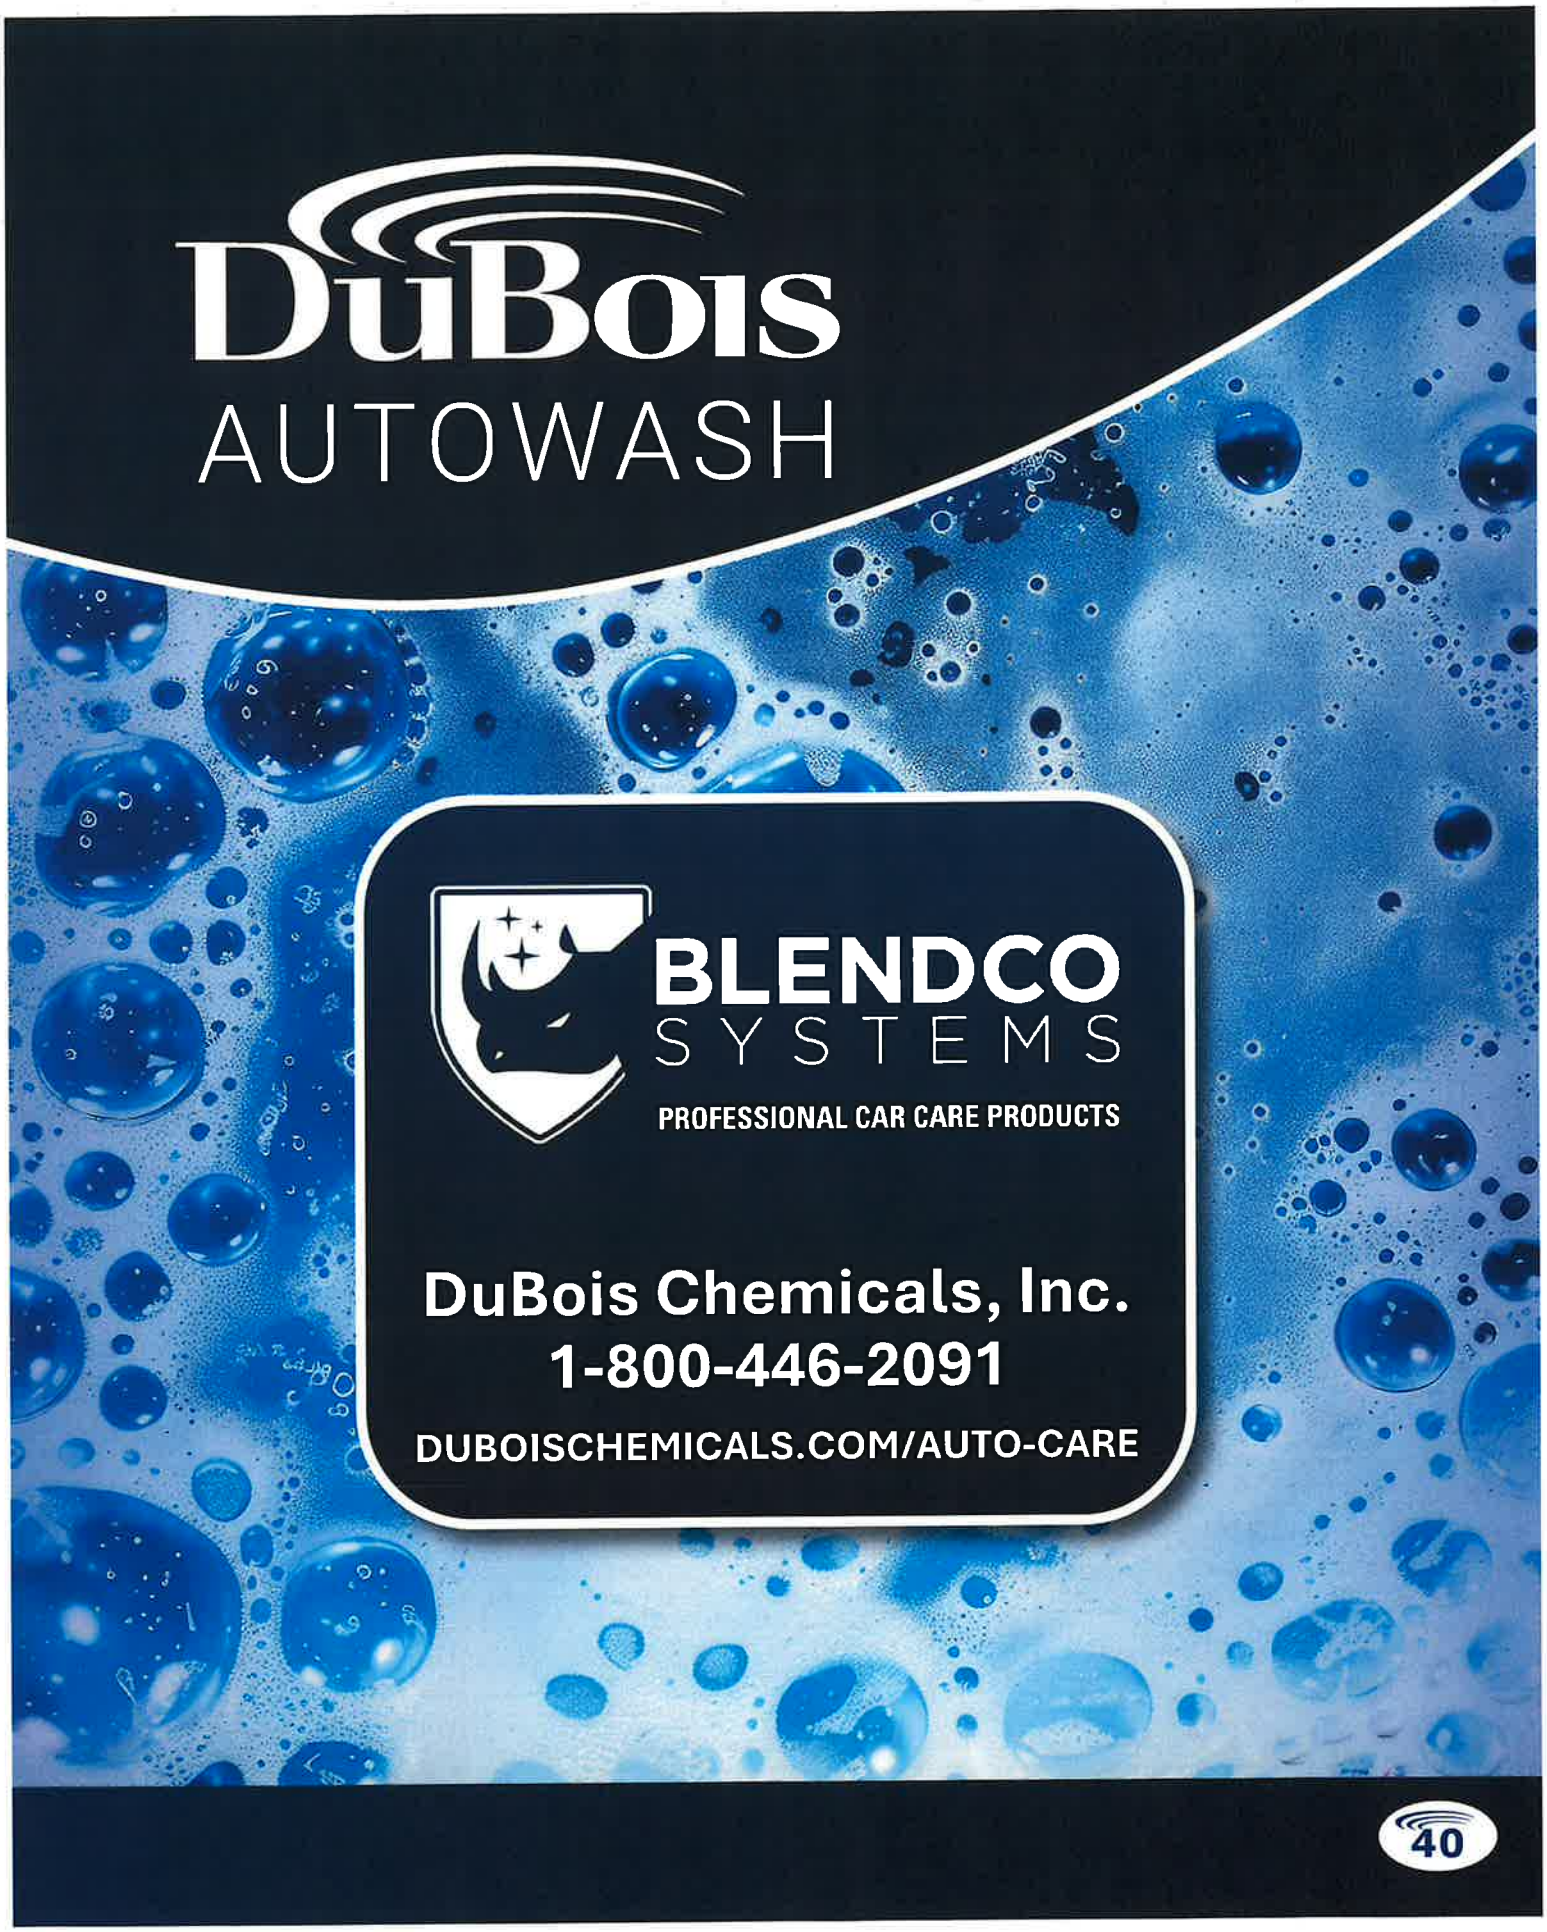

SPECIALTY PRODUCTS

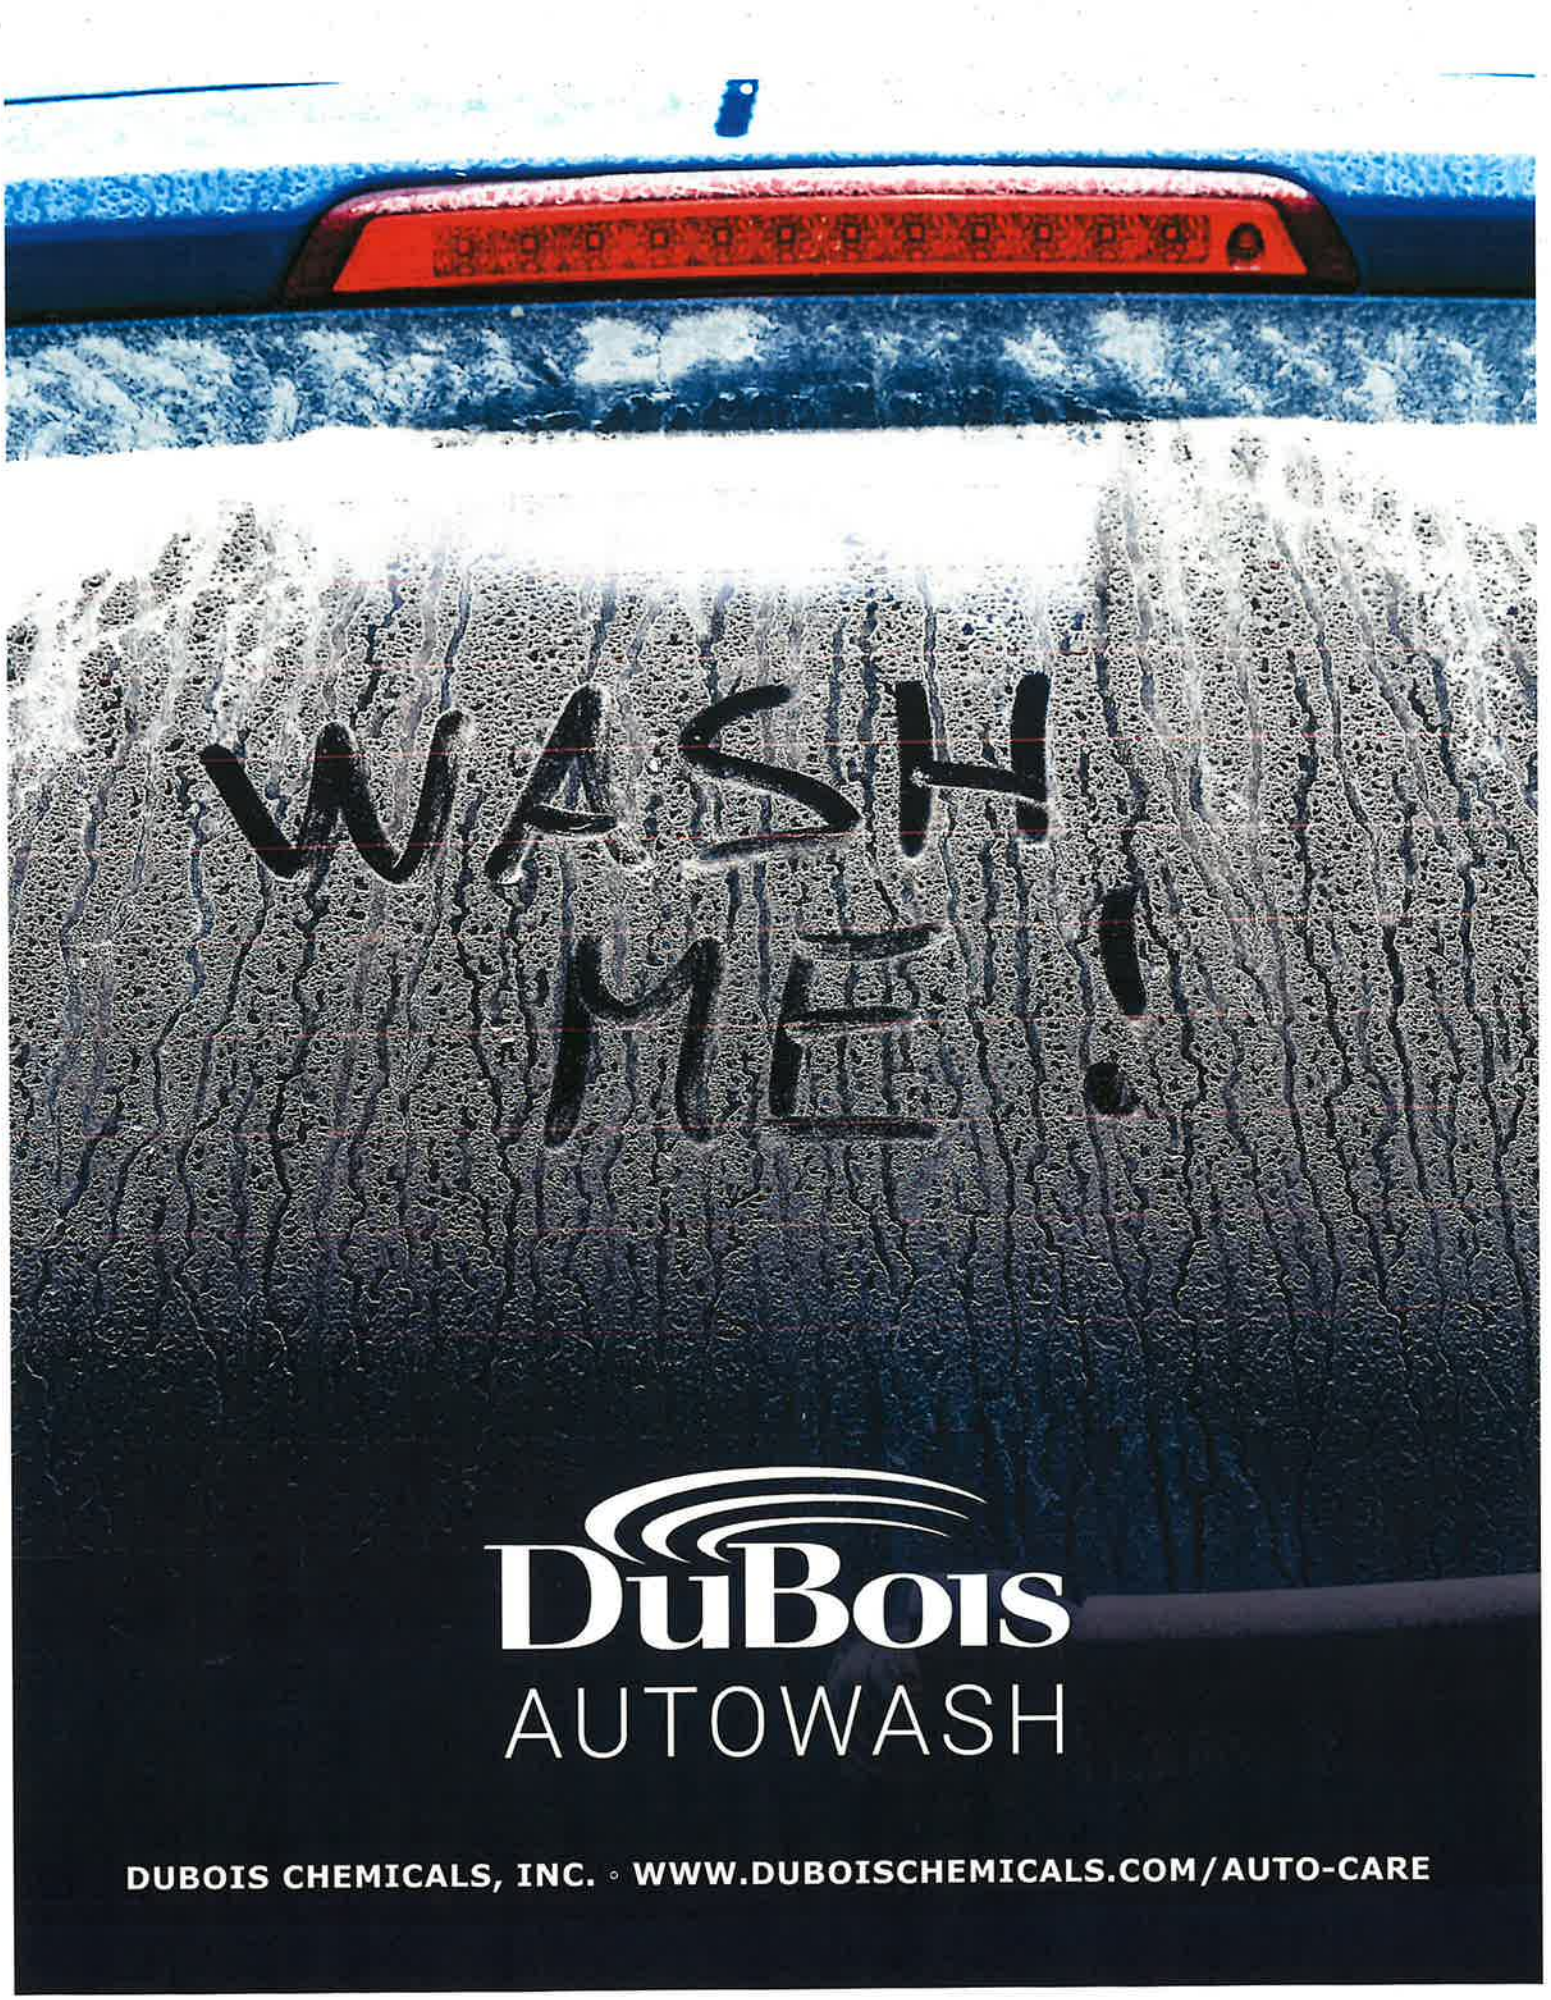

JAHAMM3X JACKHAMMER - 3X

A completely organic acid-based concrete truck wash product that safely and effectively removes cement, concrete, and road film from bare metal, chrome, glass, and all painted surfaces. Available in 1G, 5G, 55G, 275G, and 330G.

11050 RENDER-KLEEN

Heavy duty, liquid alkaline cleaner and aluminum brightener. Versatile to be used in cleaning facilities as well as transportation vehicles. Removes road soils and exhaust deposits. Also effective at cutting through fats and greases seen at rendering facilities. Effective in hard and soft water. Available in 5G, 55G, and 330G.
