COMPOUNDS & CLEANERS

DYNACUT COMPOUND

A fast cutting aggressive compound. Contains a custom made unique abrasive designed to effectively remove 1000 grit and finer sanding scratches on automotive finishes. Removes heavy oxidation and paint defects on conventional and clearcoat paint. Effective in removing 1200 grit or finer sandpaper scratches on gelcoat.

• CAR-345 • 1 Gal • 1 Qt

QUIK CUT COMPOUND

A fast cutting aggressive compound. Contains unique abrasive designed to effectively remove 1000 grit and finer sanding scratches on automotive finishes. Removes oxidation and paint defects on conventional and clearcoat paint. Effective in removing 1200 grit or finer sandpaper scratches on gelcoat. Unique oils allow for extended working time.

• CAR-347 • 1 Gal • 1 Qt

SANDPAPERS

WET/DRY FINISHING SANDPAPER

• HT-MG1225 • 1200 Grit • 9” x 5.5”

• HT-MG2025 • 2000 Grit • 9” x 5.5”

ONE STEPS

DETAILER'S POLISH

Detailer's Polish is a combination polish and wax. Contains light leveling micro abrasives, polymers and imported waxes. Removes light scratches and swirls. Leaves behind a wax protected high gloss finish. Can be applied by hand, orbital buffer or variable speed polisher.
Works great with wool or foam pads.
Use after a compound or by itself.

• CAR-354 • 1 Gal • 1 Qt

SMART BUFF

Smart Buff polishing compound contains a proprietary blend of unique abrasives and polymers which remove light to heavy scratches, swirls, oxidation and other surface imperfections while restoring optical clarity to the paint.
The final result is a swirl free, high gloss finish with a superior protective coating.

• CAR-325 • 1 Gal • 1 Qt

CLAY BARS, MITTS, & TOWELS

CLAY BARS

A clay product, available in various grades, that can both save time and help produce the best possible finish. It removes embedded contaminates that regular washing doesn't. It will leave the finish glass smooth.

• CAR-910 • 200 grams • Mild
• CAR-914 • 200 grams • Mild

• CAR-915 • 200 grams • Medium
• CAR-913 • 200 grams • Aggressive

• CAR-910

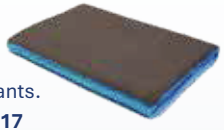

• CAR-913

• CAR-914 • CAR - 915

CLAY MITT

A fast, easy way to remove above surface contaminants on automotive finishes. It effectively replaces the traditional clay bar as your go-to means for removing bonded contaminants.

• CAR-917

6'' PAINT CORRECTION PAD

The MSPC-06 Paint Correction Pad is made with a revolutionary surface prep material made with nano technology.

• HT-MSPC-06

CLAY TOWEL

A fast and easy way to remove above surface contaminants. Its specialized rubber polymerized coating will safely remove above-surface contaminants without scratching or dulling the finish.

• CAR-918

GLAZES & POLISHES

MACHINE GLAZE

A silicone free swirl remover that contains micro polishing abrasives. Removes light imperfections and compound swirl marks. The final result is a wet looking surface with a deep gloss that could be preserved with a wax or sealant.
Machine Glaze polishes paint very easily with minimal dusting and easy clean-up.

• CAR-353 • 1 Gal • 1 Qt

WICKED POLISH V-1

Wicked Polish V-1 is a silicone free buffing polish that contains technology that features extended buffing time. Contains micro polishing abrasives that result in an extreme gloss.
Offers virtually no dusting and easy wipe off.
Eliminates swirls.

• CAR-356 • 1 Gal • 1 Qt

WAXES & SEALANTS

KING'S RANSOM

Formulated with the high grade Brazilian carnauba wax and unique polymers. Applies with minimal effort and wipes off easily leaving a deep, reflective shine. Dries without leaving white residue on molding or dust in hard to reach places. Can be applied by hand or orbital polisher.

• CAR-323 • 1 Gal • 1 Qt

PERFECTION ADVANCED TECH WAX

Formulated with a unique blend of carnauba and advanced synthetic polymers. Produces a deeply reflective and durable high gloss on all paint finishes. Applies with minimal effort and wipes off easily while concealing fine scratches and swirls. Dries without leaving white residue on molding or dust in hard to reach places. Can be applied by hand or orbital polisher.

• CAR-324 • 1 Gal • 1 Qt

DEFENDER PAINT SEALANT

A technologically advanced blend of polymers and resins. Produces a deep, darker reflective paint finish. Offers extra durable extreme protection against the elements. Goes on and off with ease and does not dry white. Safe and effective for all paints. May be applied by hand or orbital buffer.

• CAR-327 • 1 Qt

WAXES & SEALANTS

SNAP WAX

An easy to use carnauba wax that cleans paint surfaces from above surface contaminants while leaving a high gloss protective coating. Great for a show room shine when a “just waxed” look is needed.
Wipes on and off easily, making it an effective product in any detailer’s tool box.

• CAR-303 • 1 Qt

DOUBLECOAT PASTE WAX

Easy to apply and detergent proof. No hard rubbing, buffing or special applicator is required.

• CO-476 • 9 Oz

FLEETWAX HEAVY DUTY PASTE

Non abrasive pure wax is designed as the last step product in sealing and shielding against acid rain, oxidation, salt spray, stains and other environmental contamination. Prevents the adhesion of foreign elements for months while preserving the sleek, reflective look of your vehicle’s finish.

• CO-885 • 12 Oz

INSULATOR WAX

Specially developed for use by electric power companies for protection against high voltage power failure, fires and explosions. Easy to use, requires minimal buffing and lays down a protective coat safely.

• CO-845 • 12 Oz

WAXES & SEALANTS

MARQUE D'ELEGANCE WAX

This wax offers the highest gloss and warmest shine to darker, meticulously maintained finishes. Exceptional durability. Handcrafted and hand poured in limited quantities in the USA.

• CO-915 • 12 Oz

FIBERGLASS BOAT CLEANER

Easily removes dirt, film, oxidation, oil, grease, rust and exhaust stains from fiberglass finishes. Restores the original color quickly without hard rubbing or buffing and leaves a chemically clean surface for waxes to bond perfectly.

• CO-920 • 16 Oz

FIBERGLASS BOAT WAX

Goes on easy and stays on all season for a wipe and shine deck, glistening topsides, and a super slippery bottom. Contains a special pure Carnauba wax formula proven in harsh industrial environments. It will easily shrug off scrubbing, scuffing, detergents, salt water and marine organisms…all year long.

• CO-925 • 16 Oz

BUFFING PADS & BACKING PLATES

COMPOUND 1.5" WOOL VELCRO

1 1/2" thick Velcro or bolt on white 4 ply twisted wool compound pad. This the most aggressive pad we have.

• CAR-954

6.5" WOOL CUTTING PAD

A thinner and smaller white wool pad that can be used with a 6" orbital or regular rotary buff. This gives a lighter feel than the regular 7" wool pads. Velcro mount.

• CAR-959-6

3" PAD KIT (3 PADS, BACKING PLATES, & ADAPTERS)

A versatile kit for buffing spot repairs, very tight areas, headlights, etc. Includes 1 ea. 3" Velcro backing plate 3" wool pad, 3" med foam, 3" finish foam, adapters for drill, dual action or rotary polisher.

• CAR-961

BUFFING PADS & BACKING PLATES

6.25” MICROFIBER PAD

Velcro backing.

- **HT-HB-625M**

6” WHITE FOAM FINISH

Ultra soft for final finishing or waxing using a 5” or 6” dual action / orbital. Velcro mount.

- **CAR-953-6**

9” BLUE FOAM ULTRA FINE FINISH

9” blue foam polishing.

- **CAR-958**

9” GREEN FOAM CLEANING

Excellent when buffing with most one step cleaner polishes or glazes on light colored vehicles. Velcro mount.

- **CAR-956**

6” BLUE FOAM FINISH

A soft foam for final finishing or waxing using a 5” or 6” dual action / orbital. Velcro mount.

- **CAR-958-6**

6” GREEN CLEAN/POLISH

Excellent when buffing with most one step cleaner polishes or glazes on light colored vehicles. Use with 5” or 6” dual action / orbital polisher. Velcro mount.

- **CAR-956-6**

9” WHITE FOAM ULTRA SOFT FINISH

Ultra finish foam. Our softest tightest pore foam. Use for the most delicate finishes and highest gloss. Velcro mount.

- **CAR-965**

9” YELLOW FOAM CUTTING/CLEANING

Best used for medium to light cutting when using compounds or aggressive one step cleaner polishes. Velcro mount.

- **CAR-957**

6” ORANGE EURO FOAM

Euro foam best used on 5” or 6” dual action / orbital polishers for compounding. Velcro mount.

- **CAR-957-6**

BUFFING PADS & BACKING PLATES

FLEXIBLE VELCRO BACKING PLATE

Velcro backing plates for use with multiple size buffing pads. All have a 5/8” thread to fit most professional polishers.

• HT-VP-606
(6” super flex velcro backing plate)

8” WAFFLE ULTRA FINISHING FOAM

Pack of 2 light blue ultra soft foam waffle pads for final finishing. Ultimate Shine.

• CAR-974W

7”BURGUNDY FOAM HD MEDIUM CUT PAD

Dense foam pad for medium cutting and compounding.

• HT-HB-HD97

7” BLACK FOAM HD FINAL FINISH PAD

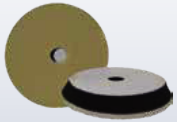

Dense foam pad perfect for finishing.

• HT-HB-HD57

6.75’’ PREWASHED FOAM CUSHIONED LAMBSWOOL BUFF PAD

Constructed with genuine pre-washed American Lambswool. Use to cut or polish, these pads are soft and durable.

• HT-HB-LW6750

8” WAFFLE FINISHING/POLISH FOAM

Pack of 2 black soft foam waffle pads for polishing/glazing.

• CAR-973W

BUFF PAD TOOLS

FOAM PAD CLEANING BRUSH

A perfectly shaped brush for keeping your hand clear while effectively cleaning your foam pads. Works well with all foam.

- BRU-2-300

WHEEL, TIRE, & WHITEWALL CLEANERS

MAXI-WHITE

Designed to restore whitewalls without effort. Dissolves dirt instantly. Leaves whitewalls white as new. Dilute up to 5 to 1 with water.

- CAR-110 • 55 Gal • 5 Gal • 1 Gal

WIRE WHEEL AND CHROME CLEANER

Designed to remove brake dust and other contaminants from chrome wheels. This aggressive cleaner easily breaks down brake dust and road grime to reveal and brighten a chrome surface. May be diluted 1:1 to make it more economical.

- CAR-130NT • 55 Gal • 30 Gal • 5 Gal • 1 Gal

MAGNUM WHEEL CLEANER

Designed to remove brake dust, dirt and grime from clear coated and painted factory wheels. Fast cleaning action with a pleasant spearmint fragrance.

- CAR-132 • 5 Gal • 1 Gal • 1 Qt

WHEEL, TIRE, & WHITEWALL CLEANERS

MAGNIFICENT

A concentrated, non acid based wheel cleaner. Biodegradable formula effectively cleans wheels from brake dust and road grime. Easily cleans and brightens whitewall and raised letters. Can be used on wet or dry wheels without causing any harm. Not designed for use on polished aluminum wheels.

• CAR-134 • 1 Gal

BUST-OFF

For factory coated wheels only. A ready to use alkaline (non-acid) product for detail shop and car dealers. It's thick viscosity hangs onto the wheel which allows it to melt away even heavy brake dust. It also cleans raised white letters and white walls.

• CAR-136 • 55 Gal • 5 Gal • 1 Gal • 1 Qt

UPHOLSTERY, LEATHER, & VINYL CLEANERS

SUPER FOAM

A highly effective product for cleaning many types of cloth, fabric and carpeting Formulated with a high foaming detergent. Super Foam actually lifts dirt and stains into the foam which is then easily removed with a damp sponge, towel or cloth Leaves a fresh lemon scent.

• CAR-183 • 18 Oz

LEATHER VINYL CLEANER/CONDITIONER AEROSOL

A gentle foaming cleaner that cleans and lifts soil from leather and vinyl leaving the finish soft and supple.

• CAR-185 • 15 Oz

SPOT REMOVER

Formulated as a stain remover for upholstery and carpets. Spot Remover offers a foaming action which breaks down and lifts stubborn stains while leaving fabric soft as new.

• CAR-187

UPHOLSTERY, LEATHER, & VINYL CLEANERS

ZIP - IT

Formulated as a stain remover for upholstery and carpets. ZIP-IT offers a foaming action which breaks down and lifts stubborn stains while leaving fabric soft as new. ZIP-IT leaves a pleasant fragrance on the surface treated.

• **CAR-174** • **5 Gal** • **1 Gal** • **1 Qt**

UPHOLSTERY SHAMPOO

A concentrated formula that gently breaks down dirt and stains from upholstery and carpets. The high foam action lifts the dirt and grime from the carpets and fabric allowing for easy removal. The special formula contains fabric softeners that leave fabric soft as new. A pleasant fragrance enhances the cleaning experience.

• **CAR-180** • **5 Gal** • **1 Gal** • **1 Qt**

LO FOAM

A concentrated multi-purpose carpet and upholstery cleaner. The low foaming feature makes this product great for pre-spotting heavily soiled areas before using an upholstery shampoo. Ideal for use with carpet extractors where a high foaming action is not required.

• **CAR-182** • **55 Gal** • **5 Gal** • **1 Gal**

DR. FOAMY ENZYME CARPET CLEANER

Dr. Foamy goes right to work on stains of many types. Dissolves grease, dirt and oil based stains. Digests stains such as blood, urine, cosmetics, milk, food, pet stains, and even wine & red stains from fruit juice. Great for pre-treating carpet and upholstery prior to cleaning.

• **HT-18019** • **18 Oz**

MINK LEATHER CLEANER

A pH balanced ready to use cleaner designed to safely clean smooth leather surfaces. This unique formula will not strip your leather's natural and vital life extending oils. Very effective in removing pore embedded stains as well as surface dirt and grime.

• **CAR-301** • **1 Gal** • **1 Qt**

TURBO CLEAN

This enzyme based cleaner removes stains and eliminates odors on car upholstery, carpets, vinyl, plastics, and rubber. Turbo Clean is designed for use with the Tornador car cleaning gun.

• **CAR-181** • **5 Gal**

CLEAN & SHEEN

Interior cleaner & conditioner. Cleans dirt, grime and grease from interior vinyl, plastic, and leather while leaving a rich satin gloss to the cleaned surface. Cleans and shines in one easy step. Restores to a new car type finish. Special polymers help prevent fading and cracking.

• **CAR-184** • **5 Gal** • **1 Gal** • **1 Qt**

SCENTS & ODOR ELIMINATORS

ASSORTED SCENTS

Designed to cover and help eliminate most offensive odors, while leaving a pleasant aroma. Contains a unique fixative additive that enables the fragrance to be long lasting. Can be used for automotive, household, office, marine and other applications.

CAR WASH DETERGENTS

SUDS'SATIONAL

A highly concentrated, thick car wash shampoo. The lemon scented formula breaks down and lifts dirt and road grime with ease while the gentle foaming action leaves the surface with a deeper gloss and shine. SUDS'SATIONAL car wash shampoo will not strip waxes or sealants from the paint finish.

• CAR-161 • 55 Gal • 30 Gal • 5 Gal • 1 Gal • 1 Qt

WASH & WAX SHAMPOO & CONDITIONER

A highly concentrated, high foaming, thick shampoo. The cherry scented formula breaks down dirt and road grime with ease while the conditioners increase and enhance gloss and shine. The unique conditioners improve water beading and sheeting actions allowing the surface to dry quickly and reduce water spotting.

• CAR-165 • 30 Gal • 5 Gal • 1 Gal • 1 Qt

CAR WASH CONCENTRATE

A highly concentrated, cherry scented liquid car wash. Deep cleaning, gentle foam leaves car sparkling clean. Will not harm wax. May be used through an automatic mixing machine at a dilution of approximately 150:1.

• CAR-162 • 55 Gal • 30 Gal • 5 Gal

RINSE & SHINE

A concentrated product designed to remove excess water from a vehicle surface after hand washing. Offers fast drying while leaving the surface sparkling clean. Eliminates the need for chamois or towel drying. Dilute 15 to 1.

• CAR-168 • 1 Gal

MAX CONCENTRATED CAR WASH

Is highly economical as it requires a dilution of 1:400 with water. Max Concentrated Car Wash produces rich, thick, long lasting suds. The cherry scented wash solution safely lifts dirt and grime from all vehicle surfaces without stripping wax. The free rinsing and biodegradable formula leaves vehicle surfaces with a glossy shine.

• CAR-163 • 5 Gal • 1 Gal

RINSELESS WASH

A polymer based concentrate used to wash, shine, protect and maintain exterior surfaces of your vehicle. Unlike conventional washing, lubricity is maintained during the entire procedure, including drying. This saves your surface from wash induced scratching and marring. Also, a great lubricant for clay bars and clay towels. Environmentally friendly and a true time saver.

• CAR-169 • 1 Gal • 1 Qt

ALL PURPOSE CLEANERS & DEGREASERS

BLAST

Effectively lifts dirt and grime from a variety of surfaces like vinyl, upholstery, leather, carpets, convertible tops, whitewalls, wheel arches and engine bays. Leaves carpet and upholstery feeling like new. The cleaned surface is left residue free and prepared for any protectant or dressing necessary.

• CAR-101 • 55 Gal • 30 Gal • 5 Gal • 1 Gal • 1 Qt

MAXI CLEAN

An industrial strength biodegradable degreaser. The petroleum and acid free formula cuts heavy grease and grime. MAXI CLEAN is VOC Compliant and works effectively on engines, shop machinery, tools, garage floors, bicycles, garden and farm equipment. Reclaim compatible.

• CAR-120 • 55 Gal • 30 Gal • 5 Gal • 1 Gal • 1 Qt

MAX CONCENTRATED ALL PURPOSE CLEANER

An ultra concentrated formula designed to economically clean various interior and exterior automotive surfaces. Provides foaming action which lifts grime and stains while remaining user friendly. Dilute up to 60:1 with water.

• CAR-102 • 1 Gal • 5 Gal

PINK CLEANER

A deep cleansing all purpose cleaner. Leaves a pleasant citrus scent to the area that has been cleaned. Effectively cleans vinyl, carpets upholstery, leather, whitewalls and convertible tops. Also great for cleaning engines and wheels.

• CAR-103 • 55 Gal • 5 Gal

APC MULTI CLEANER

A highly concentrated all purpose cleaner. This user friendly formulation creates a foaming action that lifts away dirt and grime from vinyl, carpets, upholstery, leather, wheels and engine bays with minimal effort. Also removes bug residue from paint work.

• CAR-108 • 55 Gal • 5 Gal • 1 Gal

POWERHOUSE

An economically priced multi purpose cleaner. Cleans dirt and soil from vinyl, carpets, upholstery, leather, whitewalls and convertible tops. Leaves a pleasant citrus scent to the area that has been cleaned.

• CAR-106 • 55 Gal

GLASS CLEANERS

MAXI-GLASS CONCENTRATED GLASS CLEANER

An economical glass cleaner that is fortified with Ammonia. This formula easily breaks down dirt and grime from glass leaving a streak free, sparkling finish. Maxi-Glass should not be used on automotive window tint. Dilute up to 10:1 with water.

• CAR-150 • 5 Gal • 1 Gal

STREAK FREE GLASS CLEANER

A unique formulation designed specifically to clean glass without leaving streaks or haze. Contains no dyes, fragrances or foamy type soaps. Completely evaporates after a couple cleaning swipes. Removes dirt and grime from windshields, mirrors, and windows. Safe to use on tinted windows when used as directed.

• CAR-153 • 5 Gal • 1 Gal

CRYSTAL CLEAR GLASS CLEANER

An ammonia fortified glass cleaner that easily cleans the toughest dirt, film and nicotine. Convenient aerosol allows you to just spray on, wipe off dirt and wipe dry for clear, streak free glass.

• CAR-155 • 18 Oz

SPRAYWAY GLASS CLEANER

An ammonia free, heavy-duty foam that cleans glass, windows, mirrors, chrome and other hard surfaces. Guaranteed to not leave film. Fresh scent.

• SP-50 • 19 Oz

INTERIOR CONDITIONERS & DRESSINGS

FINAL SPRAY

Leaves a medium gloss finish with a precise spray pattern. Contains no CFC's and is VOC compliant.

• CAR-230 • 12 Oz

BRITE-O

Is water resistant and leaves a high gloss finish. It has a high flow spray pattern, No CFC's and is VOC compliant.

• CAR-235 • 12 Oz

PEARL GLOSS

A water based premium surface dressing. It can be used on interior and exterior surfaces like vinyl, leather, tires, bumpers, moldings, plastic and engines. Pearl Gloss produces a high gloss, water and detergent resistant finish. Pearl Gloss will not create a hazy film on the inside of windshield when used on dashboards.

• CAR-206 • 30 Gal • 5 Gal • 1 Gal • 1 Qt

INTERIOR CONDITIONERS & DRESSINGS

MAX CONCENTRATED DRESSING

An economical dressing which can be diluted with up to 8 parts of water. Designed for interior and exterior applications on surfaces like vinyl, plastic, bumpers, tires and engine bays.
The long lasting shine and pleasant scent add to the product's versatility.

• CAR-217 • 1 Gal

MINK LEATHER CONDITIONER

Contains mink and neatsfoot oil to moisturize, preserve and strengthen leather. Helps prevent premature fading and cracking. Provides the ingredients that leather needs to remain like new without leaving an oily residue. Use regularly to keep your leather soft and supple.

• CAR-302 • 1 Gal • 1 Qt

QUICK SHOT VINYL COATING

Hi-Tech's Quick Shot Vinyl Coating provides a mirror-like coating to vinyl and plastic automotive trim. Since this product does not require wiping, you can spray it and forget it!

• HT-18014 • 12 Oz

QUICK SHOT BODY SHOP SAFE VINYL & PLASTIC COATING

BSS

Hi-Tech's Quick Shot Vinyl and Plastic Coating provides a mirror-like coating to vinyl and plastic automotive trim. Since this product does not require wiping, you can spray it and forget it!

• HT-18015 • 12 Oz

EXTERIOR CONDITIONERS & DRESSINGS

ROYAL SHINE

An all purpose solvent base dressing for hard surface materials such as vinyl, bumpers and tires. Long lasting. Blue color, melon scent.

• CAR-201 • 55 Gal • 30 Gal • 5 Gal • 1 Gal • 1 Qt

SPARKLEBERRY

A premium solvent base dressing for use on vinyl, tires, bumpers and trim. Long lasting and water repellent. Red color, strawberry scent.

• CAR-203 • 55 Gal • 5 Gal • 1 Gal

PREMIUM GOLD

An ultra high gloss all purpose dressing for automobile trim and tires. Highly detergent and water resistant. Gold color, vanilla scent.

• CAR-202 • 55 Gal • 5 Gal • 1 Gal • 1 Qt

INTENSE TIRE GEL

A long lasting tire protectant containing unique copolymers which bond to the tire surface. Intense Tire Gel produces a high gloss shine with water proof durability. Intense Tire Gel applies with ease and keeps tires black and shiny longer than traditional tire dressing. The gel formulation does not sling off of tires once applied.

• CAR-204 • 1 Gal • 1 Qt

REFLECTIONS

A highly durable tire dressing. High shining and easy to use. Water base Thicker viscosity for easy hand application.

• CAR-205 • 55 Gal • 5 Gal

EXTERIOR CONDITIONERS & DRESSINGS

PROTECT IT

A water based surface dressing. Provides a long lasting detergent resistant shine. Can be used on tires, trim & vinyl. When applied correctly Protect It will not sling off onto vehicle surface.

• CAR-207 • 55 Gal • 30 Gal • 5 Gal

SHOP-SAFE DRESSING

A body shop safe dressing that contains no silicones or polymer additives that cause fisheyes on resprayed paint surfaces. Can be used on tires, rubber, vinyl and plastic. Solvent based.

• CAR-209 • 5 Gal • 1 Gal

BUMPER SHINE

A silicone treatment formulated to bring new life to faded rubber, plastic, bumpers and trim material. A little goes a long way.

• CAR-21032 • 1 Qt

EXTREME TIRE COAT

Extreme Tire Coat aerosol tires dressing provides the shine, durability, and protection you want without the sling. Quick to apply and bonds to the tire instantly creating a dark and shiny finish.

• CAR-240 • 13.5 Oz

SOLVENTS, TAR & BUG REMOVERS

SAP-IT TREE SAP REMOVER

Designed to remove various types of tree sap from automotive finishes.

• CAR-147 • 1 Qt

TAR CLEAN

Designed to remove tar, undercoating, bugs, grease and asphalt from automotive surfaces. The powerful formula removes stubborn contaminants that washing with soap and water cannot. Tar Clean is VOC Compliant and will not harm clear coat paints or glass and can be used on vinyl trim as directed.

• CAR-172 • 55 Gal • 5 Gal • 1 Gal • 1 Qt

SOLV-ALL

A mild solvent designed for removing reactive adhesives such as epoxy and silicones. The VOC compliant formula will remove grease as well as wax from a painted surface.

• CAR-170 • 5 Gal • 1 Gal • 1 Qt

BIO-C

Non-caustic, non acidic, petroleum and phosphate free. Formulated to remove asphalt, graffiti, traffic line paint and equipment in the transportation, manufacturing and most industries. Depending on the cleaning job Bio-C may be used undiluted or diluted with up to 64 parts water. Depending on severity of soil scrubbing or soaking may be needed. Loosened soil may be removed by rinsing, vacuuming, mopping or toweling.

• CAR-720 • 55 Gal • 5 Gal • 1 Gal

EXTERIOR MISC. POLISHES & CLEANERS

CERAMIC SPRAY SEALANT

A spray that provides ceramic durable protection with an extreme reflective shine. Can be used as a last-step sealant by itself or as a quick detailer, ceramic coating renewer, and clay bar lubricant. Produces a slick hydrophobic surface that beads and repels water. Offers UV protection that lasts for months with SIO 2 technology.

• CAR-315 • 1 Gal • 1 Qt

FINAL SHINE

A spray and wipe gloss enhancer that is formulated to gently remove dust, finger prints, and polishing residue from a vehicle's surface without streaking. The special formulation adds a wet look and will not remove polish or wax. Designed for paint, chrome and plastic surfaces. Great for showrooms, show cars and pre-delivery applications.

• CAR-309 • 55 Gal • 5 Gal • 1 Gal • 1 Qt

SHAKE & SHINE

A spray and wipe, high gloss polymer, for use on wet or dry exterior vehicle surfaces. Provides a lasting shine to paint, plastic, chrome, rubber side molding and trim. Leaves no white residue. Non abrasive and easy to use. VOC Compliant.

• CAR-307 • 1 Gal • 1 Qt

SPRAY SHINE

A body shop safe formula designed for body shops, show rooms, and detailers in mind. Easily removes dust, fingerprints and polish residue from the vehicle surface without streaking or scratching. Creates a "just detailed" finish in minutes. Excellent as a clay lubricant.

• CAR-319 • 30 Gal • 5 Gal • 1 Gal • 1 Qt

EQUIPMENT, TOOLS, & ACCESSORIES

RAZOR BLADES

Thicker .012 as compared to .009 gives these blades more durability and less breakage. 100 per box.

- **ASR-BLADES**

DOUBLE SIDED PLASTIC RAZOR BLADES

Effectively removes hard water spots and contaminants from hard surfaces. Works great on glass, paint, chrome, plastic, and trim. Does not strip wax.

• CAR-620 • 16 Oz

FG1 FABRIC & LEATHER GUARD

A multi-surface interior and exterior protectant. Protects against daily wear and tear, as well as damaging drink spills, dirt, grime, mild growth, dye transfer, and UV damage. Can be used on seats, carpets, convertible tops, and more. For use on coated leather, suede, alcantara, and most types of fabric and carpet. Not intended for uncoated leather.

• CAR-103 • 55 Gal • 5 Gal

MELT FERROUS METAL REMOVER

Dissolves ferrous metals that contain iron from car paint, wheels, glass, chrome, and aluminum. Removing these ferrous metals will slow the corrosion process. Ferrous metals get into places that ordinary washing and claying cannot get to. MELT will turn purple indicating ferrous metal contamination and react with these metals to form a compound that easily rinses away. Brake dust is easily removed from wheels, as it contains high levels of iron.

• CAR-630 • 55 Gal • 1 Qt
